SPEAKING OF "CASTLES IN SPAIN"—One of the biggest problems faced by the world today is lack of housing. The problem is world-wide, but it is more acute in Spain. Not far from the heart of Madrid, Spain's capital is the "village of the poor," where people dwell in caves and rude shacks with no hope of anything better.

COYOTE'S TRAGEDY
CRAIGMYLE, Alta. — Farmers in this district have had glimpses of one of nature's tragedies—a coyote with a tin can wedged firmly over its muzzle. First seen several days ago, farmers are trying to shoot the coyote to save it from a starvation death.
