IT'S A BIG PLACE NOW—At midnight Dec. 31, Ottawa became nearly five times larger than its original 6,000 acres. The solid black line on this map indicates the new boundaries, the dotted line, the boundary before Jan. 1. The growth resulted from annexation of 22,000 acres of land in the adjoining townships of Nepean and Gloucester. The shaded portions, marked Rockcliffe and Eastview, are villages likely to be annexed in 1950. These areas are all involved in the new national capital planning scheme. (C.P. Photo)

Enlarged Nelson Bros. Port Edward Plant Starts Operating on Herring—Kwakwaka is Bounteous Source

Port Edward reduction plant of Nelson Bros. Fisheries, which has just completed a big program of extensions during the past winter including enlargement from 10 to 25 tons hourly capacity and the installation of evaporating equipment which will be used to manufacture protein feed products from liquids which up to now have been thrown away, started operations today on herring from a big run at Kwakwaka near Bella Bella. The company's packer Audrey D. Capt. John Blum, arrived at the plant last night with 150 tons of herring and eight or nine vessels are due in before tonight with some 1000 tons. Manager Harry Robbins said this morning that the plant would be operated on a 24-hour day basis while the herring run continues. From 110 to 115 persons are in employment. In addition to putting up a big pack of products through the reduction plant, Nelson Bros. will also be seining herring for Prince Rupert Fishermen's Co-operative for halibut bait.

# City Woman Off To Old Country

A long anticipated trip to England starts for Mrs. M. C. Campbell of the Prince Rupert Hotel staff when she leaves by plane commencing in Prince Rupert Monday afternoon.

Mrs. Campbell, who has two sisters and other relatives in London, will be making her first trip there.

"I will make a point of seeing all the sights I have heard so much about," she said, "for instance, Westminster Abbey, the Parliament Buildings and various parks and world renowned theatres."

She will make a stop-over in Winnipeg and a trip to Snow Lake, the home of her son and daughter-in-law, Mr. and Mrs. George Durham.

Expecting to be away for several months, she hopes to also visit cities and resorts.

BANK NOTES—Shown above is one of the earliest Bank of Montreal bills, issued soon after the bank was founded in 1817. Below it is a five-dollar bill issued in 1942, the last year the B of M issued its own money. The old bill shows a picture of Montreal harbor in the early 1800's, while the recent one carries pictures of the late George W. Spinney, president, and B. C. Gardner, then general manager, and now president, of the bank. In case it's not the bank-notes that interest you, her name is Patricia Plant, of the B of M's head office in Montreal.
