**JOHNNY'S
Jottings**

This problem has always been raised. YOU CANNOT SATISFY PEOPLE ALL THE TIME. This is very true. In fact, you cannot satisfy anybody anytime. This especially concerns newspapermen. I once knew a newspaperman who went away with a nervous breakdown. He was one of the silly individuals of mankind who decided he would soften his heart and only write copy to the enlightenment and satisfaction of ALL his readers.

The poor lad is still away. Writing for a newspaper is very difficult. I have found this out. There is no easy road. Not only must you hurdle the Grammar and English aspects of journalism. You must keep on the good side of your fellow man. You can never tell when he will give you a good tip.

I firmly believe a reporter must keep on the good side of policemen. I would advise this to anybody. Do not believe it, but reporters are no different from anybody else. We may seem worried, but do not let that fool you. Like school teachers, we must hold on to our temper, shine our teeth every morning, because we never know who we will meet and be immaculately dressed. The last point, I do not uphold.

People are very funny. Once I had the impression that one can deal with our fellow man in a state of serenity. But this is hogwash. But, do not let me lead you to believe people are not kind and generous and always around when help is needed.

Today I met a person who thought I had said the wrong thing in a write-up. I would have said more but I am not ready for a dental plate as yet. No one can seem to understand the functions of a newspaper. They think we are always cutting somebody's throat.

I would be glad to do it to some people but they say crime does not pay.

One day last week, a man came

CIVIL SERVICE PICKS QUEEN (FROM INCOME TAX DEPT.)—Blonde, blue-eyed Theresa Nugent, centre, 23-year-old income tax division clerk at Ottawa, has been crowned "Miss Civil Service." The smiling queen of the carnival-beauty pageant which capped two weeks of "peach picking" throughout various federal departments, is seen with two of her princesses, Margaret Skuce, left, and Janie Watters.

When you give to the Red Cross...
"You are there"

You are there, helping to rush emergency services wherever disaster strikes in Canada.

You... by your donation... are visiting sick and disabled veterans in hospital, taking with you small gifts and comforts that make days in a hospital bed a little less dreary.

You... are helping to save many lives through the Red Cross Blood Transfusion service.

You... will have a share in operating 78 Outpost Hospitals... providing vital medical aid in areas where nearest Doctor? is 100 miles or more away.

These are a few of the deeds of Mercy... you are doing when you GIVE to RED CROSS.

Please give GENEROUSLY!

Board of Trade Moves For Air Strip—Hospital Auxiliary—Weather Better

At the regular meeting of the Stewart Board of Trade on Friday last a motion was passed requesting the Corporation of the Village of Stewart to lay aside a parcel of ground on the eastern portion of the townsite for an airstrip. This will be considerable value to the town in facilitating the landing of aircraft in both winter and summer months.

The Women's Auxiliary of the Stewart General Hospital held a very successful sale of home cooking on Saturday in the offices of the Crawford Transfer Company Limited. The affair which was for the purpose of purchasing a small oxygen tank, netted \$158. A hamper of groceries was won by Mrs. W. Crawford, a cake by Miss Jeanann Crawford and some medicinal aid by Marko Hestrom.

The late Neil McDonald was interred in the Stewart Cemetery on Sunday with H. A. Stewart in charge of funeral arrangements. The deceased was a well-known and respected prospector.

The weather here has changed for the better. Frosty nights and warm sunny days are a very welcome change from the severe weather experienced during the past winter.

The community club at Premier held a very successful dance on Saturday in the community hall. Many of the Stewart residents travelled via bus the sixteen miles to the mine and all voted it worth while.

THE CANADIAN ARMY — "INSURANCE FOR PEACE"

The Royal Canadian Electrical and Mechanical Engineers is a natural for men who enjoy mechanical work. This vital branch is responsible for the repair and maintenance of practically all technical equipment used in the Army.

RCEME schools are famous for their advanced methods and equipment. Men are thoroughly trained as tool-makers, automotive mechanics, radar and radio mechanics. In all, this Corps is responsible for over 50 types of skilled trade training.

In addition, the RCEME man has all the opportunities and special benefits of Army life—the good rates of pay—the security—the healthy comradeship. You are eligible if 17 years of age or over and can meet Army requirements. Let the friendly recruiting office in your area give you full details. Bring with you certificates of age and education.
