Prince George To Run This Autumn

Canadian National Steamships announce that the SS Prince George will take up the local run between Vancouver and North Coast points immediately after the close of the Skagway tourist season. The Prince George will replace the Prince Rupert arriving here from Vancouver September 13 and continuing in service until late October.

In view of the increasing activity in the Prince Rupert area, his company is making the Prince George available for local travel at the earliest possible date, says W. Cruickshank, general agent, Canadian National Steamships.

There is no intimation of what the service will be after the Prince George is withdrawn but it is supposed the Prince Rupert will return to the run.

The first party of excursionists from Prince Rupert for the harvest fields, numbering between 60 and 70, left this morning. According to word from the prairies, all the men British Columbia can send will be absorbed easily.

About 110 men employed on grain elevator construction at Prince Rupert by Carter, Halls & Aldinger, Winnipeg contracting firm, went on strike this morning. A statement from the office of the company this morning said the men had been drawing between 50 and 55 cents on the basis of a 10-hour day. On the other hand, the men say they are out for an eight hour day basis at \$5.00 per day.

Identifying Of Ancient Grave

FRANCOIS LAKE — Rev. A. Harrison, with the help of those living near, who could spare time, has painted the church and tidied up the graveyard. It is a great improvement, and now that the other properties along the lakeshore have been newly fenced and tidied, the appearance of the landing is much improved. The graveyard had been neglected for so long that a lot of work is necessary to re-marr the plots and graves. When the underbrush was cut away a grave was found with an old up-turned German helmet, which undoubtedly had held flowers. The plan of the cemetery has no record of the grave, but it is probably that of a veteran of the first world war. Rev. Mr. Atkinson, Burns Lake, is anxious to identify the grave.

Finer, tastier BREAD

Yours, with wonderful fast-rising DRY Yeast!

You're sure of tempting, delicious bread when you bake with Fleischmann's Royal Fast Rising Dry Yeast! This wonderful new yeast keeps its full-strength and fast-acting qualities without refrigeration! Buy a month's supply!

WHOLE WHEAT BREAD

• Combine 3 c. boiling water, 3/4 c. granulated sugar, 4 tps. salt and 1 tbs. shortening; stir until sugar and salt are dissolved and shortening melted; cool to lukewarm. Meanwhile, measure into a large bowl 1 c. lukewarm water, 1 tbs. granulated sugar; stir until sugar is dissolved. Sprinkle with 3 envelopes Fleischmann's Royal Fast Rising Dry Yeast. Let stand 10 minutes, THEN stir well. Stir in cooled sugar-shortening mixture. Combine 5 c. once-sifted bread flour and 5 c. whole wheat or graham flour. Stir about half of the flours into yeast mixture; beat until smooth. Work in remaining flours and add additional bread flour, if necessary, to make a soft dough. Knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and set in a warm place, free from draught. Let rise until doubled in bulk. Punch down dough, grease top and again let rise until doubled in bulk. Punch down dough; turn out on lightly-floured board and divide into 4 equal portions; form into smooth balls. Cover lightly with cloth and let rest for 15 mins. Shape into loaves; place in greased loaf pans (4 1/2" x 8 1/2"). Grease tops, cover and let rise until doubled in bulk. Bake in hot oven, 400°, for 20 mins., then reduce oven heat to moderate, 350°, and bake about 20 minutes longer.
