Hospital Donations

TERRACE—An overall bed-table, purchased by the Auxiliary for the Red Cross Outpost Hospital, has been received and is now in use. It will be inscribed as a donation from the Auxiliary in memory of one of its most untiring members, Mrs. Edna Maxted, who passed away last October.

This was decided at Thursday night's meeting of the hospital auxiliary which was held in the nurses' lounge. Mrs. D. G. Little presided and there was a fair attendance.

The coffee table, the auxiliary's donation to the nurses' lounge, had also been received. The teaspoons for the use of the nurses, money for which was raised by teas, given by mem-

the movement had reviewed 1,476 suggestions received from the men during 1949, of which 883 were adopted, 340 dropped, 35 deferred and 218 pending. These included improvements to tools, improving housing conditions, conservation, care and distribution of materials, improvement, care and operation of track, motor and hand cars, better methods of performing work, safety, Maintenance of Way rules, relations with the public, first aid and treatment, education and training of employees, fire prevention, betterments to appliances and work equipment, and 17 miscellaneous categories. Mr. Wheelwright also said that since 1930, a total

of 23,826 items were discussed, of which 72.6 per cent were proposed by employee representatives.

W. H. Crampton, general chairman, Brotherhood of Maintenance of Way Employees, Ottawa, stated the C.N.R.'s Co-operative Movement had been of great benefit to the men and to the railway, and that he would continue to support it.

F. L. Noakes of Detroit, who represented T. C. Carroll, president of the Brotherhood of Maintenance of Way Employees, said the Co-operative Movement on the Canadian National was one of the most active institutions he had found in American railroads. "It is warm and human, and a model of its kind." Other speakers included S. F. Dingle, vice-president operation; A. A. Gardiner, general passenger traffic manager; E. A. Bromley, vice-president, purchases and stores; F. P. Donovan, general chairman, BM of WE, Winnipeg, and W. A. Spinall, vice-president, BM of WE, Winnipeg.

Refreshments were served at the close of the meeting.

Shows New Fabric In United States

LONDON, April 28—Elizabeth McGee, United States "Maid of Cotton" now visiting Britain, will take a British cotton dress of palest yellow home to the United States with her.

Designed by Norman Hartwell, the Queen's dressmaker, it is made in a new ever-glaze cotton which is stiff yet gossamer. It is new to American markets.

It pays to advertise.

SIMMONS TELLS INSIDE STORY OF Beautyrest COMFORT

X-Ray display reveals secrets of world's most Famous Mattress!

Outside, mattresses may look alike. It's what's *inside* that makes the big difference in real value. And now—at Simmons Dealers—you can see right inside a Beautyrest. Now you can see why only Beautyrest gives you the famous Beautyrest "Luxury Comfort".

Note how each of its 837 coil springs are individually pocketed, acts separately—thus giving firm, buoyant support to every body curve. Note such other Simmons features as: patented "Jiffy Join" tufting; pre-built border; no sag edges; air vents and taped handles—with Simmons quality throughout.

But all used equipment should be replaced, if worn-out, a health hazard to the baby's health and growth. It should be carefully inspected before use.

Some commercial laundries advertise the renovation of pillows. This will include washing the feathers and usually a new tufting. It cannot, however, restore broken feathers and a renewed pillow, though it may wear them ready for use. It will not give you the full life expectancy of a new pillow.

Fluffy Waterfowl Make The Perfect Pillow

Turkey and chicken feathers have straight shafts which must be artificially curled. This curl gradually disappears and the feathers, no longer resilient, break down and
