FURTHER PLAY IN LEGION BILLIARDS

Four games in the first round of the third handicap English billiards tournament were played at the Canadian Legion Hall over the week-end, leaving seven more matches still to be played in this round.

All games were closely contested. Graham Alexander (plus 35) defeated Darrow Gomez (plus 40) by a score of 150-141 while J. Campbell (minus 25) just managed to win over J. Bremner (plus 30) by reaching 150 with his opponent only 5 points behind. Dave Owens (minus 15) was lucky in scoring a win over R. W. Whidden (scratch) who was playing his first tournament match at the Legion, with a score of 150-127. A break of 23 by Owens was the only high score of the week-end. W. Goddard (plus 15) secured his place over Bruce Simundson (plus 30) in the second round by winning 150-120.

The Globetrotters Here This Wee

'TROTTERS HAVE ASTONISHING RECORD IN YEARS OF HOOP PLAY

No basketball team, or perhaps any sport aggregation, boasts the record the Harlem Globetrotters have compiled in the past 21 seasons. The sensational negro quintet are expected to arrive Tuesday to meet a local All-Star team in a series of three games to be played at the Civic Centre. The team has compiled its total of 3,038 wins as against only 230 defeats and one tie going into this season, despite the handicaps of nightly play, long and sometimes arduous travel, taking on all comers without benefit of advance scouting, performing on opponents' floors and never questioning the selection of officials.

The Globetrotters' best seasons have been those of 1933-34 when they won 152 and lost only 2, 1939-40 when they captured their one season's high of 159 victories and dropped 8, 1946-47 when they triumphed 154 times and were defeated only three, and last year when they finished up their schedule with 152 wins and five losses.

They climaxed the 139-40 campaign by winning the world championship tournament at Chicago and, off that triumph, earning the right to play the College All-Stars at Chicago Stadium the following November of that year in the first of the annual College All-Stars-Pro classics.

The Globetrotters' record is all the more remarkable when it is taken into consideration that they played throughout the war years with a depleted roster of performers against the many powerful service units. Despite this, they still managed to win 713 games while losing only 74 from the start of the 1941-42 season to the finish of the 1945-46.

The Globetrotters' sensational season - by - season record is as follows:

Ten seconds to go—two points behind—that was the situation Saturday night for Bo-Me-Hi as they came up to tie the score and sent the Senior Basketball League game into overtime, the second overtime game for Brownwoods this season. The five minutes of overtime saw the students go down to defeat but it was credit to them as they had played uphill all the way. The hard-gained win for Brownwoods pushed them into a third place tie with the losers. The score was 60-58, the total score being the highest this season.

The first quarter was even although Brownwoods rushed into an 8-1 lead before Bo-Me-Hi started popping in some shots of their own. The quarter ended in a tie at 11-all. The second quarter was all Brownwoods as Thompson and Forman worked together to pile up a 6-point lead, the half ending in their favor 28-22. The Rainmakers' shooting was off this quarter and during the game.

The fast-breaking play continued in the second half as
