75 PERCENT OF VEHICLES BURN PORT MOODY FIRE Investigation Starts

COMING HERE-Hon. E. T. Kenney, minister of lands and member of the legislature for Skeena, will pay a brief visit to Prince Rupert this week. He is arriving Wednesday morning on the steamer Prince Rupert from Victoria and will sail by the same vesturn to the capital. He has consented to address the ation at a public banquet Wednesday night. Mr. Kenney is recovering from a bad attack of sciatica which partially incapacitated him. Among other things he is expected to speak on industrial developments in the area including the aluminum project on burned twelve street cars, sevenwhich he has been active. teen trolly buses and gasoline

ED CASE-Canada's board of transport commissioners is in the midst of hearnd cons of granting railroads a boost in freight rates. Seven provinces-all exand Quebec-are opposed to the increase. Hearing the complicated case, left to high Wardrope, assistant chief commissioner; Hon. Mr. Justice M. B. Archibald. ioner; H. B. Chase, commissioner (CP Photo)

PROFESSORS DISMISSED

SEATTLE—Three long-time professors at University of Washington were dismissed Saturday by the board of regents in the aftermath of a controversy over asserted present or former membership in the Communist party. The three are Professor Joseph Butterworth, English; Professor Ralph Gundlach, psychology, and Professor Herbert J. Phillips, philosophy.

SAFE IN HOSPITAL

CHURCHILL, Man.-Twelve men, who were aboard a Royal Canadian Air Force mercy flight Dakota plane which was forced down on a Hudson's Bay ice field, were evacuated safely Saturday and spent the week-end in hospital here recovering from frostbite and shock.

MAJOR DAVIS DIES

NELSON-Major Angus Davis, one of British Columbia's best known mining men, is dead here at the age of 70. Before retiring, he had been manager of the Dentonia mine at Greenwood. Twenty or more years ago he was prominently identified with mining in the Alice Arm and central interior districts.

As Emergency Measures Are Taken

REGINA (CP) - Residents of Regina walked, rode Army trucks and found other means of transportation to work -sel Thursday night on his retoday in 31 below zero weather following a \$1,000,000 fire which yesterday destroyed 75 percent of the city's street cars and buses. City officials have started an investigation into the blaze, one of the most destructive in the history of Western Canada. Within a few hours the fire

The conflagration started after

an explosion in the storage sec-tion of the municipal transportion of the municipal transportation system's car barn. The RUNNING NOW roof tumbled in within an hour. Officials said they had not

time to remove any of the vehicles. Most of them were in
