INTERMEDIATE

In the Intermediate game Fashion Footwear was defeated 29-19 by High School, the loss dropping them into a first place tie with Merchants. The first half was slow with both teams short on shooting accuracy. High School gained the edge with the half-time score 12-10. The second half was all High School as Webster and Sunberg led the students to victory. The game bordered on roughness with neither team giving leeway in their play. Fashion's teamwork was very poor and their passing and shooting wild. High School's fast breaking kept Fashion on their toes on defence. Bob Gill was effectively held down in the pivot.

Fashion took 56 shots and made 6. They made 7 from 13 free throws. High School took 54 shots and made 12. They canned 5 of 18 penalty shots.

LADIES' LEAGUE

In the Ladies' game Dom's continued winning by downing the luckless Miller Bay team 28-11. At game time Dom's had only 4 players and were penalized for every minute until they had 5 players. They were late 6 minues and were penalized 6 technical fouls. Miller Bay held their own during the first quarter but after that they fell apart on defence as Dom's poured through with shot after shot.

Miller Bay took 27 shots and made 4. They canned 3 of 7 free shots. Dom's took 43 shots and made 14. They missed their 4 free throws.

JUNIOR LEAGUE

In the Junior game Rupert Hotel took exclusive possession of third place by downing High School 22-9. High School were very poor on shooting and in clearing the ball from their back court. Rupert Hotel took every advantage of High School's mistakes and made them count.

Rupert Hotel took 46 shots, made 9. They made 4 of 10 free throws. High School took 25 shots and made 3. They made 3 of 11 free throws.

FASTEST ICEMAN FIT TO BE TIED—Leo Gravelle of the Montreal Canadiens, called the fastest forward in hockey, is fastidious about selecting a stick just before going to do battle with the New York Rangers at Madison Square Garden, New York. The game ended in a 1-1 tie after what was more of a whistle recital than a top-drawer hockey game. Referee King Clancy, the performer, eventually was socked in the eye with a hard-packed paper missile, heaved by an irate gallerite. He resumed after a few minutes rest.
