Recipes For Light Meals

MACARONI PUFF is a very unique recipe—and especially tasty! It's a type of souffle that never fails. The flavor is out-of-thisworld. It's colorful too-with chopped red pimiento and chopped green peppers. It goes well with Chef's Salad, which is our favorite. Use French dressing to point up the flavor. Serve this combination with Italian bread which has been sliced not quite all the way through in thick slices. Between slices spread the bread with a combination of finely chopped garlic and butter. Heat in the oven until very warm.
