Mrs. A. M. Dowther and Miss Edith Watson returned to the city on the Prince Rupert yesterday from a two weeks' trip to Vancouver and Seattle.

Gyro Klondyke Night Again
Prince Rupert will start growing beards again in the near future in view of the decision of the Prince Rupert Gyro Club to have another Klondyke Night early in May. Substantial prizes will again be awarded for the most luxuriant hirsute appendages.

The club is also arranging for another dinner dance March 17 on the steamer Chilcotin followed by a cruise to Masset.

The Gyro Club was in regular monthly business session at its luncheon yesterday with President A. J. Dominato in the chair over a 100 percent attendance.

The club took out a \$2.50 membership in the Music and Drama Festival and named G. A. Hunter as representative on the executive of the organization.

WANT TO SEE WORLD, GIRLS TO USE THUMB
WINNIPEG - Two adventurous Winnipeg girls have solved the problem of the monotonous job, the morning bus and the routine of the office worker.

Amelia Zurick, 26, and Nancy Halford, 28, plan to quit their jobs with the Winnipeg office of the Unemployment Insurance Commission and travel around the world by bicycle, and luck.

Their odyssey will begin in March when they sail to England on the Queen Mary. In Britain they will work in offices and factories for about six months. It will take that long, they believe, to see all the places and historic sites they have read about.

After Britain the girls hope to visit all the other continents before returning to Canada.

Romance is definitely not the objective of the world jaunt. The girls avow: "We just want to see the world."

Their families, after initial hesitation, are now enthusiastic about the trip, but insisted that the girls bank enough money for a return ticket before starting out.

"Most of the other women and men in the office think it is a wonderful idea, Nancy says. "Only a few of them think it is a hare-brain scheme."

BABY'S CRY IS NOT ALWAYS TEMPER
DISTINGUISH between your baby's cry of pain and cry of temper. The "pain cry" should have instant attention. For the feverish distress due to gas on stomach or bowels or those common digestive upsets, give Baby's Own Tablets at once. Mrs. May Mundy, of Toronto, finds they work every time.

"I am the mother of nine children, three of them prize babies, and Baby's Own Tablets have been my only medicine in raising them to the healthy children they now are. As soon as my children became a little feverish I at once gave them Baby's Own Tablets and in a very short time the fever disappeared and the children were normal again."

Equally effective for constipation, upset stomach, teething troubles and other minor ailments of babies.

SCHOOLBOY CURLERS ON VACATION—A fast ride on a toboggan slide in Quebec city Chateau Frontenac was quite a thrill for the Ontario boys who are taking part in the Canadian high school curling championship, there. Left to right, are: Glen Sagle, skip; Bill Mason, third; Floyd Edward, second; and Charlie Watt, lead. The boys are Ontario champions and study at the Sault Ste. Marie high school.

Jaycee Ranks Are Swelling
Eighteen new members were welcomed into the Junior Chamber of Commerce last night by President Harold Hampton who stated he was happy to see new blood in the organization, adding that he was certain they would do a fine job filling positions of older members who eventually resign.

Approximately 40 Jaycees attended the New Members Night in the Commodore last night. Business was brief except for the suggestion by Alf Worthington that the organization further assist city council in reference to their filing procedure of resolutions and petitions presented by organizations.

The matter of the elimination beauty contest was brought up. The Jaycee St. Patrick's dance and contest is being staged March 17 in the Civic Centre. "Miss Rupert" will be chosen that night and will be entered in the Smithers "Miss Northern B. C." beauty contest on May 4 and 5.

The Jaycees urge as many young women as possible to enter the event. All expenses to Smithers will be paid, a \$125 gown will be presented to the winner here and many other prizes will also receive prizes.

With six entries so far, members are very enthusiastic about the idea but are slightly concerned for the reason that outlying points insist on having representation and intend to enter the Prince Rupert eliminations. A special executive meeting may be called to determine if such representation may be allowed.

New members congratulated and presented with membership cards by membership chairman Stuart Fure were, Verne Ardagh, Alf Worthington, Bob McInnes, Dan McDonald, Neely Moore, Dunc Whitmore, Johnny Sims, Archie Wudel, Anthony Lefebvre, Ted Denning, Bill Osborne, Bob Davis, Dan Williamson, Peter Adie, Art Williams, Dyke McMillan and Syd Gonick.

The meeting was followed by a stag session.
