

Parcels Wrapped For Xmas Tree

Members of the child welfare committee of the Women of the Moose, meeting last night in regular monthly session at the Moose Temple, spent the evening wrapping Christmas gifts for the forthcoming Moose Christmas Tree. Those present were Mrs. Bert Bellamy, the chairman; Mrs. Percy Bond, Mrs. S. Ballinger, Mrs. C. H. Collins, Mrs. J. H. Jefferies, Mrs. Frank Parlett and Mrs. P. Welter.

TERRACE CIVIC CENTRE PLAYS

TERRACE—Two evenings of splendid entertainment came to a conclusion on Friday with the final productions of the Civic Centre Drama Group held in the new auditorium of the Civic Centre. On both evenings there was a large audience and the proceeds were satisfactorily substantial. Three well chosen plays were staged and the choice of characters showed sound judgment. In the intervals between the plays the concert orchestra, conducted by Frank Gavan, played some delightful numbers.

LEGION W.A. TO SPONSOR CANCER FUND

Canadian Legion Women's Auxiliary has agreed to take administrative responsibility for the \$100 fund which the B.C. Cancer Society has placed at the disposal of Prince Rupert cancer sufferers for emergency use.

Prince Rupert branch of the Cancer Society, which normally has had charge of the fund, decided at a meeting a month ago to seek the aid of some other organization to administer it because of a lack of public interest in the society's local branch.

The Canadian Legion W.A. moved to assume responsibility for the fund last week. A meeting will be called by the W.A. in January to elect an administrative authority for the money.

Purpose of the fund is to provide financial assistance to cancer sufferers who must go to Vancouver for diagnosis and treatment.

SUTTON COLDFIELD, Warwickshire, Eng.—Mice nibbling matches were the cause of a minor fire here.

SALE HIGHLY SUCCESSFUL

The Junior Red Cross Sale held at Borden Street School Friday afternoon was a very successful affair. The sum of \$145.21 was raised.

Articles on sale, in addition to a generous supply of home cooking and candy provided by parents and friends, included pyrex, aluminum and flatware obtained in return for tea and coffee coupons collected by the pupils of the school. This has become a feature of the work of the Junior Red Cross members at the school. Already since the summer vacation the children have collected 7,401 coupons.

One table loaded with plant slips and seedlings was soon disposed of. The boys of Grade Six had made many gliders and these all moved quickly. Woolly dolls were also a popular item and were sold out quickly.

The officers of Grade Six Junior Red Cross Branch are Julian Parnell, Alex Wesley and Emmett Meredith, with Eddie Juvik as secretary. All the pupils in the grade assisted at the sale. Mrs. S. A. Cheeseman was in general charge with Mrs. Flood, Mrs. W. McLeod, Mrs. C. Strand and Mrs. Linneham supervising the sales.

Gus Christiansen, well known hotel man of New Hazelton, arrived in Prince Rupert Thursday evening and will be here for the next week or so. He has lived in New Hazelton since the railway building days. The snowfall so far this winter is much heavier here than it is in his home town, he says.
