A. B. Taft left on this afternoon's plane for a trip to Vancouver.

● Please make all calls for Handyman Home service during next month to Black 334. (196)

Mr. and Mrs. George Dybhavn left today for a trip to Masset. They will spend a holiday at Limberlost.

W. S. Singer of Masset, who has been on a brief visit to the city left by plane today on his return to the Queen Charlotte Islands.

Mr. and Mrs. G. H. Seaman and little daughter, who have been on a holiday visit to Vanada, Texada Island, returned to the city on the Prince Rupert today.

J. D. MacCrimmon returned recently from a visit of a few weeks to Minneapolis where family members are living. He found the stay one of much interest and enjoyment, even with the weather rather warm. For a while it registered 104.

William Wilson, son of Mr. and Mrs. George Wilson, who spent his vacation here recently, has left for Edmonton where he holds a responsible post with the R.C.A.F. Edmonton is rapidly developing into one of Canada's major air centres.

W. L. Baker, publisher of the Ketchikan Chronicle, and other delegates for the Associated Boards of Trade of Central British Columbia convention in Smithers arrived in the city from the north on the Princess Norah this afternoon and will proceed to the interior by the evening train.

L. M. Gordon returned to the city Tuesday afternoon from Vancouver after taking part in the army's Exercise Eagle in the Grande Prairie, Alberta district with the Princess Patricia's Light Infantry. Mr. Gordon, who is a Captain in the 120th Heavy Anti-Aircraft Battery, was among reserve officers who took part in the airborne exercise.

APPLICATION FOR A WATER LICENCE
WATER ACT, SECTION 6
The Aluminum Company of Canada, Limited, of Montreal, Quebec, hereby applies to the Comptroller of Water Rights for licences to divert, use, and store water from any or all of the following sources:

The Nechako River above the Grand Canyon, and streams tributary thereto and the Nanika River below the outlet of Kidprice Lake. The points of diversion will be at the south westerly end of Taitsa Lake and at a point on the easterly side of Nanika Lake. The storage dams will be located on the Nechako River above the Grand Canyon, or at other points on streams tributary to the Nechako above the Grand Canyon, and at the outlet of Kidprice Lake. The water will be used for power purpose at a site on the Hemanoto River near the junction of Horetzky Creek. The transmission line will follow a route yet to be determined to Kitimat.

The quantity of water to be diverted is 9,400 cubic feet per second. The quantity of water to be stored is 22,000,000 acre feet. Copies of this application were posted near the proposed points of diversion and sites of the dams, and near the land where the water is to be used on the 23rd and 24th days of June, 1949, and two copies will be filed in the office of the Water Recorder at Smithers, Burns Lake, Vancouver, and Prince Rupert. Objections to this application may be filed with the Comptroller of Water Rights at Victoria, B. C., within thirty days of first publication of this application. The date of the first publication of this application is 10th August, 1949.

Don't forget ... You do Half a Day's Work on your Breakfast!

The cereal share of your breakfast should do much more than please your taste. It should help supply nourishment to fit you for half your day's work!

Post's Grape-Nuts Flakes do both. Wonderfully appetizing, they supply the kind of nourishment all busy people need daily.

Simply Delicious and Distinctively Different!

Nourishing Goodness that Sets you up!

THE SECRET? THEY'RE MADE FROM 2 GRAINS

Grape-Nuts Flakes are so good for you... taste so delicious... because they're made not from one but TWO golden grains—sun-ripened wheat and malted barley—specially blended, baked and toasted for appetizing food value and grand flavor.

They supply "get-up-and-go" nourishment that helps you in work or play—useful quantities of carbohydrates, protein, phosphorus, iron, and other food essentials.
