a brand-new washday miracle!

IT'S TIDE...

Procter & Gamble's amazing discovery

NEVER have you used anything like Tide for your whole family wash! There just wasn't anything like it until new knowledge gained in wartime research made the discovery of Tide possible. Tide just laughs at dirt and grease... laughs at hard-water problems. Tide washes clothes cleaner than any soap made, yet actually leaves colors brighter!

## ONLY Tide DOES ALL FOUR!

### 1. Washes clothes CLEANER!

Yes, cleaner than any soap made! Compare Tide with any soap you may be using. You'll see! Tide gets the whole wash cleaner... even greasy overalls! Tide not only leaves clothes free from ordinary dirt, but actually removes dingy soap film as well.

### 2. Gets clothes dazzling white—they're CLEANER!

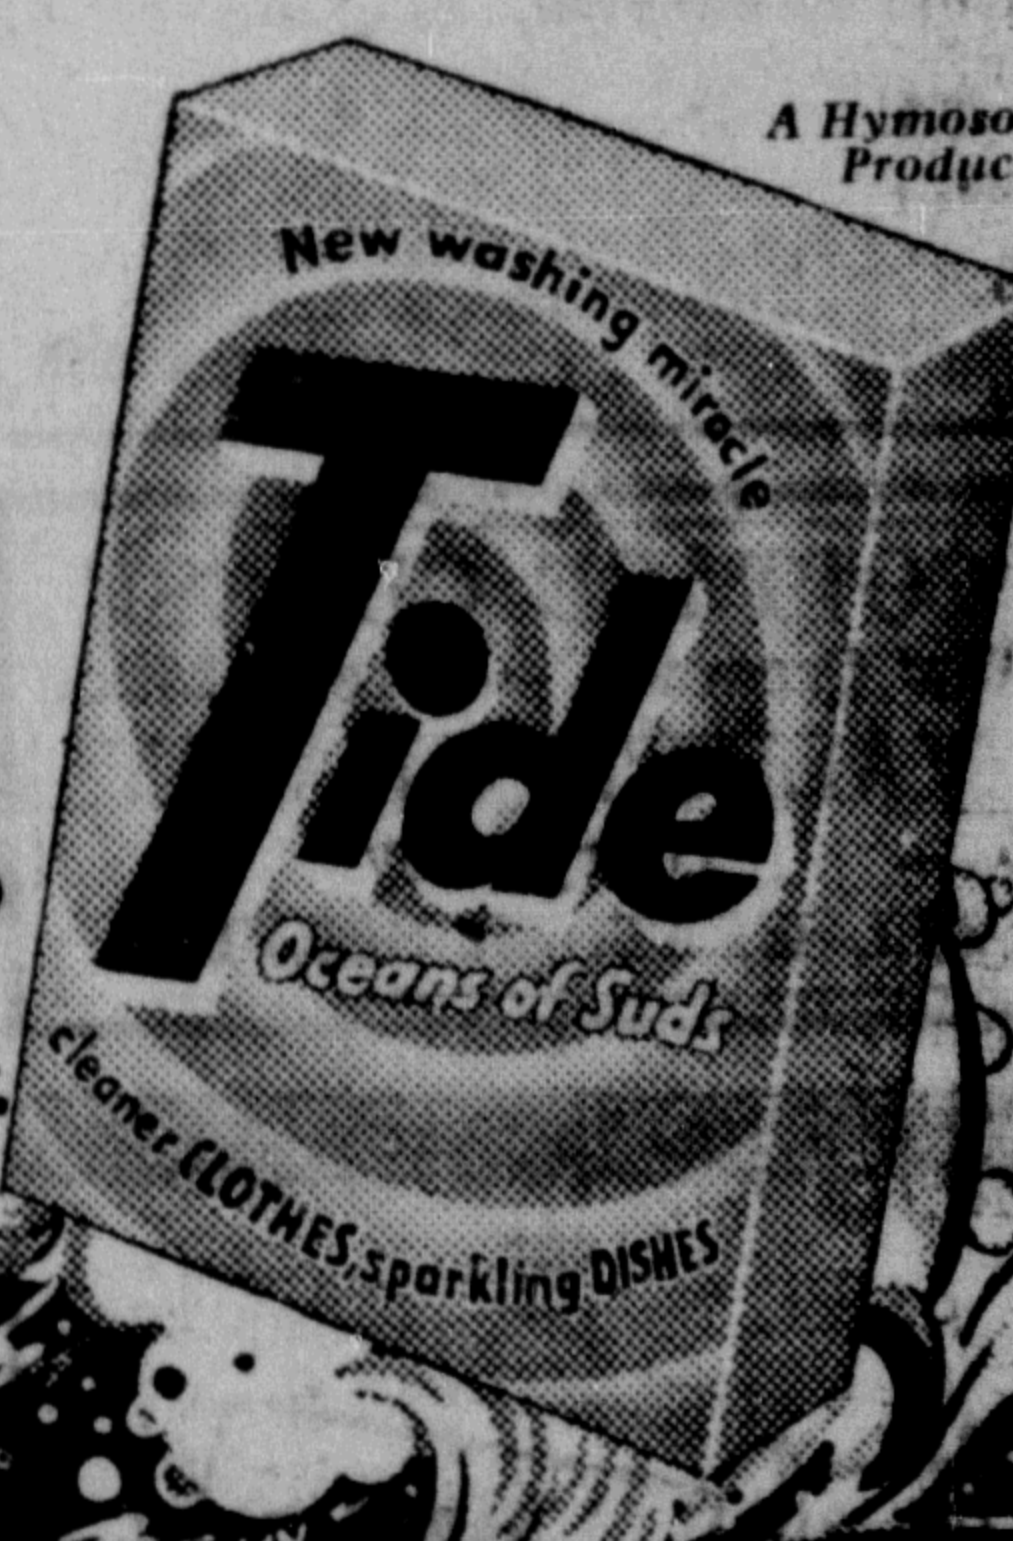

Tired of yellow-looking white things? Tide gets them dazzling white... keeps them that way, week after week! Tide never turns them yellow!

### 3. Actually brightens colors—they're CLEANER!

With all its terrific cleaning power, Tide is really safe for your bright printed dresses. And you'll be thrilled to see all your washable colors actually come out brighter after a Tide wash!

### 4. Gives more suds—prove it in your dishpan!

Kind-to-hands suds! Longer-lasting suds than any soap in hardest water! Tide cuts grease like magic... washes dishes cleaner than any soap! No scum in the water! No cloudy film on dishes and glasses! That's why they rinse and dry so sparkling clear—even without wiping!

TIDE'S IN-DIRT'S OUT!

Made in Canada

TIDE WORKS EXTRA MIRACLES IN HARD WATER! OCEANS OF SUDS! NO WATER SOFTENERS NEEDED!
