WANTED TWO MIDDLE-AGED
BUSINESSMEN OR SALESMEN

WANTED — Two mature busi-
nessmen or salesmen to represent
Canadian firm, G. A. Holland,
earned \$2,194.36 in a three
month's period. Average over
\$700.00 per month. D. W. Orr
earned \$4,484.70 in first seven
months in last 3 years. Dave
Jones earned \$23,476.23, work-
only about nine months per
year. Earnings right at start
\$1,000.00 first week. J. L. Stockwell,
\$167.89 first day. J. L. McCul-
lough, \$526.00 first week.
Over 150 of our men have
earned \$4000 to \$3,000 in 1 mon.
many doing new men. (These
are S.W.O.R. STATEMENTS).
These gross earnings are, of
course, exceptional. Many of
our top men have been doing
this well for years. It's a fore-
gone conclusion that they will
do even better now with in-
creased demand. Men who
were "bankrupt" when they
started now have big new
homes, some two cars instead
of one, are sending children
to college and enjoying secu-
rity for the future. Man is
needed for this area, also sev-
eral others for nearby terri-
tories. Our most successful
men are those able to be
away from home travel-
ing one or two weeks at a
time — outdoors in healthful
fascinating occupation. Our
Product (Canadian Pat. No.
456,591) is sold on long trial
credit terms, no down pay-
ment, to high-grade, disreput-
able trade such as manufac-
turers, merchants, large
farm and ranch owners. Im-
mediate delivery. Earnings
advanced weekly. Big season
just ahead. Rush name, age
for full details. Vice President
Dept. E. P. O. Box 158, Ter-
minal A, Toronto, Ontario.

TODAY'S NEWSPAPERBOY
IS TOMORROW'S LEADER
Because
HIS NEWSPAPER WORK IS HIS CONTACT WITH THE BUSINESS WORLD HE WILL FACE
FULLY WITHIN A FEW YEARS. AND IT PREPARES HIM BETTER TO MEET LIFE'S PROBLEM BY:

- Teaching him the meaning of dependability and responsi-
bility. He soon knows that his customers expect to receive their
newspapers regularly and on time, and he soon realizes that the
full production force of the newspaper depends on him to see
that the readers get the product of their labors.
- Teaching him sound business methods which he can use
throughout his life—salesmanship—how to keep books—extend
credit—collect—manage money—increase volume. In a simpli-
fied form, yes, but adapted perfectly to the development of a
teen-age mind.
- Teaching him the value of developing good traits of character
such as courtesy, thrift and honesty.
- Teaching him how to meet people and hold his own, and to
play and work successfully with his fellow men.
- Teaching him that the Canadian way to get things you want
is to work to earn the money needed to purchase them.
- Teaching him the value of education both at school and at
home to enable him to be a real success.
