THE BREWSTER employs a dormer on the rear for stair clearance. There are two bedrooms on the second floor that can be finished and added to the two on the first floor. There is a separate dining room which can be converted into an L-shaped living-dining room by simply removing the partition that is between the two rooms

There are eleven closets in all. These include twin closets in the first floor bedrooms, a coat closet in the living room, a closet in the hall, a linen closet in the bathroom, two closets in the rear entry and two walk-in closets upstairs. Kitchen cabinets are arranged on two walls, leaving space for a breakfast set in the kitchen.

Plans call for frame construction, with outside walls and ceilings insulated, wide siding and asphalt shingles. There is a full basement.

Overall dimensions are 34 feet by 34 feet. The main body is 30 feet wide. Floor area is 1072 square feet and cubage 23,376 cubic feet, including basement.

SHIPS and— WATERFRONT

Thoroughly overhauled and with extensive general safety and fire protection installations made in compliance with orders which had been issued to all coastal liners following special inspection after last year's Noronic disaster, veteran C.N.R. steamer Prince Rupert is returning to the Vancouver-Prince Rupert-Ketchikan service and will be here tomorrow morning from the south for the first time since early last fall. Capt. E. B. Caldwell is in command, having transferred from his regular ship, the Prince George, which has now been withdrawn for her annual overhaul and which will probably not be back on the run until late in May.

Unique sight on the wharf at Butedale last week-end were two Royal Canadian Air Force helicopters which had put in there in the course of the search for five missing airmen from the United States Army bomber which was lost off Princess Royal Island two weeks ago.

James Cagney Back In Type

Returning to the type of story in which he is best known, James Cagney opened at the Capitol Theatre here Monday, and continues Tuesday and Wednesday in "White Heat" in which he plays the part of a cold-blooded racketeering mobster who comes to a bitter end as do the most of his ilk—guns blazing and cornered by the forces of the law at the scene of a planned hold-up. The management of the theatre is asking that children be not sent unaccompanied, as the picture is classed "adult entertainment."

Virginia Mayo plays the dramatic part of Cagney's faithless wife. Margaret Wycherly is Cagney's mother, a hard, unscrupulous woman who has goaded and guided him along a career of crime.

The story is about a gang chief who pulls off a big robbery and murder and allows himself to be apprehended for a lesser offence in order to throw off the police. He is double-crossed by his wife and ends up the victim of bullets from police and federal agents.

The fourth tender, Prince Rupert Cement Products was only for laying of pipe at a cost of $27,231.98—two cents less than included in one of the three other bids. The contract calls for supplying and laying of pipe, excavation, construction of manholes, backfilling, etc.

Following are the three complete bids:

Mitchell & Currie, city contractors—$108,714.

Wood, Parr and McClay, Vancouver—$121,318.90.

Campbell & Bennett, Vancouver—$127,334.

Due to late connections at Jasper, tonight's train from the east will be six hours late. Scheduled to arrive at 10:15 p.m., it should be in at 4:15 a.m. Wednesday.
