The world wags on and soon buds and blossoms and daylight saving will be here to make us glad and wholesome. Snow will stop falling and human beings cease sliding and life will again be normal. Our cars will zoom along the highways, the evening's skies will be gorgeous and what happened last winter will just be something else again!

A speaker in Victoria remarked the other day that "Prince Rupert is carrying 'an intolerable load.' It must be so.

The government itself announces we spent more than a million on whiskey in a single year.

An Oregon Senator has introduced a bill to prohibit the eating of popcorn in a movie theatre, despite the overwhelming fact that the making of popcorn is a \$100,000,000 a year industry. Anyway, here's to you, Senator! It's hard to know which is worse—the rustling and crackling of a paper bag or the steady stoking of the corn, as you try to follow the knavish schemes of a low-browed villain.

No one seems to know definitely to what extent former Prime Ministers of Canada could dance but Premier St. Laurent, alive to social obligations, promptly states his position. He cannot dance but intends to find out. An accomplishment, useful and enjoyable in many ways—in or out of public life! But we'll bet he can bow, most gallantly.

CHILLING MANOEUVRE—Regardless of the weather—even at 20 below zero—armored units training at the Wainwright, Alberta, military centre kept the 38-ton tanks on driving and firing ranges during the recent manoeuvres. These armored monsters are being manned by members of the 14th Armored Regiment of Calgary. (CP Photo)

Some who have lived in Prince Rupert 40 years or longer, stroll around town and hardly know a soul. They are mixing with new generations. The old timers have been known to pose as strangers and ask questions. Some of the answers were gems of purest ray serene.

Selecting railroading, as a career, involves a lot of points that may be thought of but cannot be understood unless experienced. Fighting slides and snow day and night, facing bitter gales, rain and hail are a few of them. There is an old axiom in theatre life "the show must go on." And the same goes for the railways—only a thousand times tougher.

Minerals found in Sandur, India, include manganese ore deposits estimated at 2,500,000 tons have been located in Sandur state adjoining Madras province. Heavy deposits of iron and traces of gold and copper have also been discovered.

St. Valentine Day was the thirty-eighth anniversary of the wedding of Mr. and Mrs. W. L. Newell, and the Women of the Moose combined with the members of Loyal Order of Moose in giving a surprise party to this very popular couple. Mrs. Newell was presented with a beautiful bouquet of carnations.

The party which numbered about forty, lasted until the wee small hours of the morning and both the recipients and the guests had a thoroughly enjoyable evening. Mrs. Ann Geddes was in charge of arrangements.

Public works crews are still endeavoring to open up the Premier road but are making very slow progress owing to the amount of snow to be removed.

D. D. Kimball and Johnny McDonald came in from American Creek, 14 miles from Stewart, and said that it was a tough trip.

## COLORFUL MUSICAL

"A Date With Judy" at Capitol Theatre Thursday, Friday and Saturday

"A Date With Judy," coming this Thursday, Friday and Saturday to the Capitol Theatre here, is a romping, song-studded technicolor musical telling the tale of a lucky family and their happy-go-lucky adventures. Wallace Beery, Jane Powell, Elizabeth Taylor, Carmen Miranda and Robert Stack are included in a big name cast with Xavier Cugat's dance band taking the leading part in the musical end.

Beery is the benign head of the brood with Jane Powell as the daughter, Selena Royle as the wife and Jerry Hunter as the brat son. Romantic complications follow one another in quick succession to make a fast-moving story.

Many popular songs include "Judaline," "I'm Strictly on the Corny Side," "Temptation," "Through the Years," "It's a Most Unusual Day," "Love is Where You Find it," "Jane Powell also scores with "Home Sweet Home" and "Mias Miranda" is heard in several catchy Latin numbers.
