## Personalities...

### Diane Kennedy

Students' Council President, Diane Kennedy was born in Vancouver April 12, 1931. When in Grade 3 she moved to West Vancouver where she was a pupil in Pauline Johnson School. In 1942 she left the south and came to Prince Rupert with her family, attending Borden Street School in Grade 6. All her High School years have been spent at Booth.

"Di" has been an active participant in school activities. Since Grade 10 she has been one of the stars on the Bo-Me-Hi Rainbirds and she has played on the school softball team. She has also held positions in the student government. Last year she was vice-president of the school.

As school president Diane proposes to "revive school spirit to the extent that every student participates in some school function. I know I have a council that will support me."

Passengers sailing on the Princess Norah from Prince Rupert for Vancouver Thursday afternoon included Sam Jay, J. Day and R. Perry.

## Students' Council Leads School Organization

The student council organization of Booth Memorial High School for 1948-49 follows the pattern which was adopted and successfully followed last year. This consists of three council bodies: the Senior and Junior councils, representing the Senior and Junior high schools, respectively, and an executive council, the School Council whose responsibility is to deal with problems pertaining to the school as a whole, and to handle all student finances.

The election in October for the School Council aroused much interest among the students. Following nominations for various offices a lively campaign was held with the students going "all out" to support their chosen candidates. The latter were given an opportunity to address the school at a special assembly in the Civic Centre. In the election the Proportional Representation system of voting was used.

The slate of officers for School Council is as follows:  
President, Diane Kennedy.  
Vice-President, Mona Lykegaard.  
Secretary, Laila Husoy.  
Treasurer, Larry Moore.  
Boys' Sports Representative, Eric Moore.  
Girls' Sports Representative, Arletta Hamilton.  
Publications Representative, Mary McAfee.  
Clubs Representative, Esther Harrison.  
Past President, Art Olsen.  
The Senior Council President, Christine Currie, is the Senior Council Representative on the School Council, while the Junior Council President, Joyce Farrington, is the Junior Representative.

## PLATTER CHATTER

Well, record fans, here are the ten most popular discs of the day.

1. "Buttons and Bows."
2. "On a Slow Boat to China."
3. "A Tree in the Meadow."
4. "Twelfth Street Rag."
5. "Maybe You'll Be There."
6. "Hair of Gold, Eyes of Blue."
7. "My Darling, My Darling."
8. "My Happiness."
9. "It's Magic."
10. "You were Only Fooling."

Two new records that are becoming very popular in the south are "King Size Papa" and "Love Your Spell is Everywhere." The former is a slow jive with Julia Lee on the vocal and there is good music in the background with the brass section standing out. The other features Peggy Lee on the vocal supported by the Dave Barbour Orchestra. This piece has a Latin-American flavor and some may recognize it as the theme on Tony the Troubadour's program. Nellie Lutcher and Frankie Lane are still among the most popular vocalists according to record sales.

## Laurels to...

ARLETTA HAMILTON for the wonderful work she did in organizing the cheer squad and the flashlight drill. Although the turn-out wasn't very encouraging at first, Arletta went right ahead and built up a club that boosted school spirit 100 per cent. Thanks should also be given to the members of the squad who gave up their own time for practices.

**CHEER LEADERS** Lenora Faught, Lily Sylvester, Sid Youngman, Lou Van Pykstra and Song Queen Joyce Tattersall for the splendid performances they put on the night of the basketball games with Ketchikan. Not many people realize how much effort and practice was put behind these shows. Bo-Me-Hi now has cheer leaders and school spirit comparable to any school, any place.

Marjorie Lieman and Christine Currie. Serviteurs were Joanne Langridge, Lorraine Youngman, Donna Kerrigan and Lil Sylvester.

Later in the day a High School assembly was held at the Civic Centre. The Kay-Hi boys were introduced, followed by entertainment and speeches. Alec Bill was given a much deserved vote of thanks for his efficient coaching of the Rainmakers. A trio of Kay-Hi boys was persuaded to add to the entertainment after which the assembly closed with "God Save the King."

James Forman jr. sailed last night on the Prince George for Vancouver.

## New Teachers

### Miss Jokanovich

Miss Jokanovich, the Grade 7 and 8 Science teacher, hails from Vancouver. She is a graduate of Britannia High and the Vancouver Normal School. She came from Vernon where she spent the last two years. There she met Miss Gibson and they made plans to come to Prince Rupert together.

Miss Jokanovich professes to like Prince Rupert very much, that is, all but the rain. She and Miss Gibson batch together and so far enjoy it immensely as they have had no ill-effects from their own cooking. Miss Jokanovich's favorite activities are playing badminton, dancing, and eating—her favorite food being liverwurst and stuffed olives and the one disliked most is prunes.

### Miss Gibson

Also from Vernon is the senior Art teacher, Miss Gibson. Besides Art she teaches English and Social Studies to the Grade 8's. Her home town is Edmonton where she took both her University and Normal School training. She came out to B.C. then and before coming here taught two years at Vernon.

Miss Gibson likes Prince Rupert very much, even the rain, that is since she got her new raincoat. Her favorite recreations are swimming and dancing, and her hobby is clay modeling.

Miss Gibson does a large variety of art but she specializes in portrait drawings. Her favorite color is teal blue.
