## ANNOUNCEMENTS

J. T. Barry, Vancouver mining engineer, and G. H. Stevens, former bank manager, were passengers aboard the Camosun last night going through to Alice Arm for a visit to the Esperanza mine in which they have become interested and on which it is planned to institute operations this year.

Regular meetings of the Prince Rupert Chamber of Commerce have been suspended for the months of July and August. Special meetings will be held if necessary. Otherwise, the executive will attend to such matters as require attendance.

Nohr, J. Kuffner, Mrs. F. M. McLaughlin.  
 To Sandspit (Today)—A. Williamson, L. Orr, Miss M. Orr.

## SUDDEN DEATH OF CITY WOMAN

Mrs. Agnes Thomson, a resident of Central British Columbia since 1911, died suddenly Sunday evening at the home of her daughter, Mrs. R. E. Johnson, 1151 Eighth Avenue East where she had lived since coming to Prince Rupert nine years ago.

Born at Forfar, Scotland, Mrs. Thomson took up residence in the Burns Lake district in 1911 with her husband who predeceased her 27 years ago.

Surviving are three sons—James and Edward of Prince Rupert, John of Burns Lake, and three daughters—Mrs. R. E. Johnson of Prince Rupert and Mrs. Carpar Hamre and Mrs. Albert Stephenson of Burns Lake.

Funeral arrangements will be announced later.

"Talk about real-life dramas — you should try my job!"

Bill: "I don't see how you keep so cheerful, Dick. I should think a life insurance agent's job would be humdrum."

Dick: "You're wrong there! You'd be surprised how much drama there is in my job — and what a kick I get out of it. Yesterday, for instance ..."

1. "At the office I found a claim cheque ready for delivery to a widow who needed that money. Don't you suppose her gratitude made me feel I'd done something important?"

2. "Then, on the way back, I stopped off to see Tom Black — he and a partner have just opened a new garage. Now, if one of the partners should die prematurely, the other will be able to carry on that business."

3. "From there to see George Williams who's retiring soon. Our company will start paying him to relax and enjoy himself. You should have seen him smiling, just like a happy kid!"

4. "Coming out, I met Jim Trimble who's going to college — thanks to the policy I sold his Dad. Believe me, I shared his excitement."

5. "Next, I helped a couple bring their life insurance programme up to date. They've just had an addition to their family. They were happy before, but now they've got peace of mind, too!"

"That's the way it goes. And that's why I think a life insurance agent has the best job in the world!"

**A helpful citizen in your community**

When your agent sells you life insurance, he also helps to improve your community. For a large part of each life insurance dollar is put to work, through investments, to build schools, bridges, highways, industrial plants and many other projects that create jobs and make for better living.

You share in these improvements, made possible through the efforts of your helpful fellow-citizen — the modern life insurance agent!

Co-operation is being given by the Prince Rupert Chamber of Commerce to a "perfect shipping" campaign instituted by the Transportation Bureau of the Vancouver Board of Trade. The general idea is to bring about a better preparation of goods for shipment by freight and other means. Among other things posters are being distributed for placing at points where shipments are made.
