State Medicine Proves Costly

By J. C. GRAHAM

Canadian Press Correspondent Zealand's "free" state medical, more than three individual con- Water drug and hospital service, which has been operating since 1941, appears to have reached a critical stage. Senior officials state vice cost \$6,130,000 nearly four Celery, lb. the ever-rising expenditure has reached a point where drastic

changes may be necessary. D. Duncan Cook director of the division of clinical services, said in his annual report that the increased cost of the medical service and pharmaceutical supplies has been of such magnitude as to lead to serious doubts that state medical insurance was practicable. Unless recently-introduced reforms provided remedies, the present system would
