Bobby Lee, Montreal-born star of Brighton Tigers in Britain's National Hockey League, has become the first man ever to collect 300 goals in English hockey history. The 300th marker came in a game at Nottingham and even the hometown rooters gave the curly-headed playing coach a standing ovation. Lee, who at 38 is still doing a regular centre chore for the Tigers, joined Brighton from Baltimore Orioles in 1936. He went to Earl's Court Rangers the following season and stayed with the London club until the outbreak of war. He lined up during the war with Quebec Aces and Montreal Royals and also played a few games for Montreal Canadiens. When peace came, Bobby returned to his old Brighton stamping ground.

When Dorothy Paget's good he found the field stripped bare, steeplechaser Prince of Denmark wins a race, chalk up an assist first. Next time the club buys a for the goat. Everywhere the field, its officials plan to look at Prince goes, his little hircine pal it first.

lags along as travelling companion and good luck charm.

Says trainer Fulke Walwyn: "We first began to send a goat to the track with the Prince last season, when the horse showed signs of temperament. We found that this solved the difficulty and the goat now is the Prince's constant companion." Prince of Denmark, which cost Miss Paget a measly 320 guineas (\$1,041.60) as a yearling, is maintaining a family record for consistency established by his half-brother, Hamlet, who won eight consecutive steeplechases. The Prince has won four hurdle races, two steeplechases and a flat race and run second in his only other two outings.

Seeking turf to resod its playing surface, Cardiff Rugby Club bought a field on the city's outskirts which was scheduled as a building site. But when groundsman Jim Pursey arrived with a truck to start collecting the turf, Local gardeners had got there first. Next time the club buys a for the goat. Everywhere the field, its officials plan to look at Prince goes, his little hircine pal it first.

REPAIRS FOR THE LADY—The Canadian National Steamships liner Lady Nelson, damaged when she ran aground on a St. Lawrence River mudbank, moves into drydock in Halifax for repairs to her hull. The job took three weeks. Temporary repairs were made at Lauzon, Que., immediately after the mishap, which occurred on the Lady's last voyage of the season. (CP Photo)

BURIED BY BLIZZARD—Heavy snow almost buried this car parked on the main street of Hope, 100 miles east of Vancouver, following a raging blizzard which swept the entire west coast province. Nearly 400 persons sought shelter in the town when they were forced to abandon cars and buses on highways in that area as snow blocked all main roads. (CP Photo)

HOW CAN I ???

By ANNE ASHLEY

Q. How can I keep frying pans bright?

A. The frying pans can be kept bright and clean by first rubbing them with a crust of hard bread, then washing them in water that is hot, and washing soda.

Q. How can I easily clean white-painted surfaces?

A. The next time white paint is to be cleaned, try using water in which two or three onions have been boiled, and see how readily the dirt is removed.

Q. How can I get good results when using stove polish?

A. Moistened the polish with a little vinegar instead of water, and it will impart a richer luster with far less effort.

Craft Class News

An entirely new class for Civic Centre adult members wishing to take leathercraft will be held on Monday nights starting the second Monday in January, 1950.

This class will be for beginners only who should contact the Civic Centre at once.

The new class members are required to provide their own tools which should include a leather punch, a knife and a modeller for design work. These may be purchased at class. It is essential that each person have his or her own tools so that no delay will occur and thus retard the student.

The class which has just completed the beginner's course will not meet on Tuesday evening of each week with the more advanced craft members so that Monday night may be reserved to give individual attention to each new member.

The social leathercraft group will still meet on Wednesday and Thursday afternoons as usual and it is hoped that those who have completed the beginners class will take the added advantage of attending these afternoon gatherings. The social leathercraft group will meet starting the first Wednesday in January while the Tuesday night group will meet on the second Tuesday. There will not be any change in the Junior teenage craft groups.

Modern Etiquette

Q. When presents are given at a birthday party, should they be opened at once or kept until the party is over?

Q. How should a club sandwich be eaten?

A. With a fork, after the toast and other ingredients have been broken. In doing this one uses a knife and fork.

Q. What is the salutation on a letter to the governor of a state?

A. "Your Excellency."
