Soccer Films Interest Many

There was an attendance of over fifty at Wednesday night's showing of the Football Instructional Films in the Canadian Legion Auditorium. This was the last showing as the films are being returned to Vancouver today.

The films started with a scene where Tom Whittaker, famous Woolwich Arsenal trainer, discusses with young players the need to have proper shorts, football boots properly laced and knotted, meals, that may be eaten before a game and the need to be on time.

Then came the details of ball control, neat footwork, body usage, and head usage to develop best means of bringing the ball under control in the shortest possible time. How to trap a ball, how to receive and make a pass, how to shoot on the run, how to combine, how to position for corner kicks, how to throw in, how to dribble, how to keep goal were all demonstrated in slow and fast time. The plays were shown as performed by schoolboys under famous players and then how done by famous players in actual games.

To players beginning their football careers or to those who have finished them the films were most instructive and valuable. To those who have never seen big-time football they were a revelation. Teams like Fulham, Tottenham Hotspurs, Chelsea, Bolton Wanderers, were shown with the players practising the simple fundamentals of the game so that they could put them to use without hesitation in the real competitions.

The concluding film showed cup-tie games actually being played. The packed stands, the roar of the crowds, the tenseness of the players, their superb combination, goal keeping and shooting had the audience sitting on the edges of their chairs.

The films were brought here by the local association and were projected by J. S. Wilson.

Watson Island Makes Showing

Although Losing To Abel And Odowes 4 To 1

In a thrill-packed Senior baseball game last night Watson Island came up from the bottom to give the Haberdashers a real battle although the latter won 4 to 1. Steady Bill Robinson pitched the whole game for Watson Island. The score may not have been close but the game had the fans in the grandstand on their toes watching the Islanders get their men to third base, although not across the home plate. It was one of the best games of the season.

Jackie Sharpe pitched the entire game for Abel and Odowes and, while the Triple C's got hits he was backed up by good fielding from his team. Even Letourneau, umpiring the game, was stumped on one of the plays when Cornwell, bunting on his third strike, struck a fair ball and was calle dout, the decision being later reversed by allowing a fly out to short stop.

Abel and Odowes scored the first run of the game in the third inning when Sharpe singled and was called out, the decision scored when Pavlikis was safe on first on an error. Watson Island came back and tied up the count in their end of the third when Luvigne singled followed by Berquist's hard hit ball with Luvigne scoring.

In the fourth inning, Watson Island boys threatened when Robinson, first man up, scored Maddock who had been safe on an error. Enwright got first on another error to load the bases and Ludwigson hit into a double play to end the rally.

In the first of the fifth, Sharpe started off with a ringing double and advanced to third on a wild pitch, coming home on a pass ball to make the score 2 to 1 in favor of Haberdashers.

In the end of the fifth, Watson Island boys went down one, two three.

In the sixth, the first two men — Dunbar and Hartwig — were safe on base, on a walk and a hit by pitcher. Then Arney grounded out to first and Dunbar scored. Sunberg followed and was out at first with Hartwig scoring on Sunberg's sacrifice to make the score 4-1 in favor of Abel and Odowes. There was no scoring in the seventh and Watson Island, in their last bats in this inning, went down swinging, one, two, three.

There will be no game on Sunday as the All Star team is heading for Smithers.
