

Moves To New Premises

the Y.M.C.A. and Legion.

Mrs. Black was elected to the Provincial Command as third vice-president at Nanaimo Convention in 1948 for two years. Her region covers the northern area from Ocean Falls to Stewart, Sandspit, Queen Charlotte Islands, Dawson Creek, Pouce Coupe, Prince George, Smithers and Terrace. She will pay a visit to all these points in the near future before proceeding to the annual convention to be held at Trail this June. She was for three years president of the local Auxiliary—in 1947, 1948 and 1949.

B.C. President's Greetings

"On behalf of your Comrades throughout British Columbia I wish to congratulate our Comrades in the Prince Rupert Branch on the opening of your new building. Your Branch has for many years done an excellent job for veterans and their dependents in your area and I know that with your new and larger premises you will be in a much better position to carry on the work of the Canadian Legion. All members of the Provincial Council join with me in sincere good wishes on your accomplishment."

B. M. ISMAN,
Provincial President.

HISTORY and SERVICE (continued from Page 8)

they nominated me as their Zone Representative. With the unique objective of the Legion so challengingly stated in the ritual, "service, not for ourselves, but for others," as the motivating force in all its activities the branch will be able to do even more in the future. And may they not grow weary in the service, but as that great Canadian and soldier, Sir Arthur Currie said, "They served till death, why not we?"

Message From Legion's Head

Message from the President.

President James Nicoll of the Prince Rupert Branch No. 27 Canadian Legion B.E.S.L. took time out from his work today to express his heartfelt thanks for the assistance he has been given

Legion of the British Empire Service League congratulates you and wishes you well.

on the work of opening the new we plan to invite all the citizens to open house at the new Club."

Mr. Nicoll said: "It is with a great deal of pride and pleasure that I have had the opportunity to serve the Legion in the capacity of President this year. But I want every member to know that, if it had not been for the efforts of the building committee and the many other committees, the tremendous amount of work that today stands completed would not have been possible."

"We now have a building of which the Legionnaires and all Prince Rupert can be justly proud. In the very near future

Mr. Nicoll went on to say: "There is one thing that must be emphasized and that is that the work of the Legion in caring for Service men, their families and widows of those who made the supreme sacrifice will continue as long as there is a Canadian Legion. I would urge every veteran in this area to take advantage offered by your Legion and join today."

"In closing I wish to extend my heartfelt thanks to all who in any way helped to make this beautiful new building possible."
