BUYS AND WHYS

MONTREAL, Jan. 6th—It doesn't take an expert "palms" to "read your hand"! When your hands are soft, smooth and well-kept, it's easy to see they're the hands of a lady who takes pride in her appearance! She may be cooking and dishwashing, but it so I'd guess that she keeps an extra bottle of JERGENS LOTION in her kitchen—uses it regularly. Yes, no matter what your daily chores... Jergens Lotion will keep your hands beautiful. And it's a good idea, after a particularly hard day's work, to rub a generous amount into your hands! Most women who have learned this lovely way to smooth, soft, smooth hands know that even as fine a lotion as Jergens has to be used to do its good work!

Days, it's No Easy Trick to keep our families happy and well-fed without the house-mother's flying out of our purses faster than it flows in! That's why I'm always so glad to come across a budget-saving tip like this!... I like to try Jell-O Chocolate Tapioca Pudding with whipped cream, and a sprinkling of chopped nuts. Jell-O Vanilla Tapioca Pudding with fluffy, shredded coconut, either plain or garnished festively, I use economical Jell-O Tapioca puddings often these wintry days.

I'd Like Husbands who think feminine bridge-party talk is about nothing but the colour of "Mary's" new hat... to listen in some time! Excellent recipes and equally excellent "buywords" circulate around the bridge-tables... help to keep "our men" well-fed! Lately, I've heard more and more women talking about the new, improved TENDER LEAF TEA BALLS! And no wonder! Their flavour is superb... Orange Pekoe at its tastiest! They're made of the little tea leaves, you see... tiny, young leaves that add something very "extra" to the flavour! And they're so very easy to serve... so very economical. For just one of the Tender Leaf Tea Balls gives you two cups of extra-delicious Orange Pekoe! That's why so many women are saying "Count me in" as a Tender Leaf Tea Ball fan!

My Husband occasionally looks like an "accident case"... with slightly soiled "adhesive" covering his stubborn shaving cuts? He'll like DALMAS Dressings!... they help preserve his well-groomed look! Inconspicuous and comfortable—Dalmis Dressings are made of a paper-thin substance that's washable, water-proof, smooth, can't fray, stretches all ways and is flesh-coloured. Yes, Dalmis Dressings are a medicine cabinet ideal for bandaging Junior's scratches... and for your "kitchen" they're just the thing—apply one in a jiffy and then—because it's waterproof—you can peel potatoes—wash dishes... just as if you'd treated yourself all!

It's Amazing How Many Folks Get Up EARLIER just to enjoy a good "Cream of Wheat" breakfast! At least, it's amazing to anyone who's never tasted the creamy smoothness of good 5 Minute "CREAM OF WHEAT" Once you've tasted it, you'll understand why your family are suddenly enthusiastic about breakfast when 5 Minute "Cream of Wheat" is on the menu. And it's so very easy to prepare, too! Just five minutes of boiling will cook it to delicious creaminess... and it's extra-good sprinkled with brown sugar or raisins! So serve it to your family tomorrow! And, remember—5 Minute "Cream of Wheat" contains blood-enriching Iron... and it provides Calcium and Phosphorus for diets deficient in these elements. Yes, it's good... and good for you!

to Please a Man With Your Cooking? It's the thing in the world to do with HEINZ CHILI SAUCE to help you! A liberal dash of this spicy, full-tasted sauce on steaks—chops—left-overs—and you have a dish fit for a king! Yes, that man of yours will really "go for" the spicy goodness of this thick, rich sauce... every drop has "man-sized" appetite appeal! Made from rich, rosy "Aristocrat" tomatoes—cooked and seasoned to palatable perfection by Heinz chefs... no wonder Heinz Chili is a favourite with the men-folks... and everyone! Ask for the sauce—at your grocer's now!
