A gala film with seven new tunes, "It's a Great Feeling" is the story of a pretty waitress in a major Hollywood studio who wants to become a star. She appeals to Jack Carson, a director whom no star wants, and the eventful race to stardom is then on. The picture which Carson must direct to keep from going broke has Dennis Morgan for its star but no feminine star. Morgan and Carson try to persuade the producer into "discovering" Miss Day but succeed only into harassing him into a nervous breakdown and it is through their antics around the studio that they meet up with the various stars mentioned.

Miss Day aspires to sing and ride in the picture and Morgan to sing and dance.

LEARN A. B. C.'S WHILE FATHERS LEARN ELECTRONICS—Children of service personnel at the RCAF's big radar and communication centre at Clinton, Ont., learn their A-B-C's only a few yards away from classrooms where their elders struggle with advanced electronic studies. Shown here is the school established on the station for families of officers and airmen, and operated by the RCAF. Teacher is Mrs. J. M. Chambers, who formerly taught school at Hope, B. C.

## Ray Reflects . . .

. . . and Reminisces

There is nothing we would like to do better this very Fourteenth of January, than put aside something for a rainy day.

In past seasons, when a spell of weather long and cold enough to encourage ice sports in Prince Rupert came along, one could depend on it there was no delay. There were hockey matches on Morse Creek. A good-sized rink lay in front of where the Court House now stands. Skating parties went out Shawatians way and over to the Salt Lakes. Snow on ice was swept off. Of course there was no Civic Centre then and skate owners cheerfully made the most of what Nature sent.

NO SCREEN STARS ON FASHION POLL OF BEST DRESSED—Fashion authorities annual poll placed Mrs. William Paley of New York at the head of the list of the world's 10 best-dressed women. Others were the Duchess of Windsor, actress Mary Martin and the Duchess of Kent. Hollywood actresses were conspicuously absent from the list.

Juvenile delinquency has decreased steadily in Canada since 1942. Last year 7,378 juveniles appeared in courts, compared with 11,758 in 1942.

Where do all the birds go, as blasts turn bitter, snow whitens the landscape, shade trees be-

come bare, flowers vanish, and there's no soft, kindly earth to examine closely? For it's a fact that in summer or even during an easy, open winter our little winged friends remain. However, it takes more than near-zero to dismay that black, burly old flier, commonly called the crow. He's hopping around, seeking or stealing whatever's in sight and hoarsely cursing to himself.

Bingo, long popular in Prince Rupert, has sometimes been described as a game in which you try to win a turkey you do need and get a pickle dish you do not want.

Women, Children  
Killed in Blast

VINCENNES, Indiana (C)—Two young mothers and three young children were killed yesterday in an explosion at a federal housing project. The explosion apparently came from a room occupied by a gas furnace.

It costs \$100,000 to drill and equip an oil well for production at Alberta's Leduc oil field.

HIS NEWSPAPER WORK IS HIS CONTACT WITH THE BUSINESS WORLD HE WILL FACE FULLY WITHIN A FEW YEARS. AND IT PREPARES HIM BETTER TO MEET LIFE'S PROBLEM BY:

Teaching him the meaning of dependability and responsibility. He soon knows that his customers expect to receive their newspapers regularly and on time, and he soon realizes that the full production force of the newspaper depends on him to see that the readers get the product of their labors.

Teaching him sound business methods which he can use throughout his life—salesmanship—how to keep books—extend credit—collect—manage money—increase volume. In a simplified form, yes, but adapted perfectly to the development of a teen-age mind.

Teaching him the value of developing good traits of character such as courtesy, thrift and honesty.

Teaching him how to meet people and hold his own, and to play and work successfully with his fellow men.

Teaching him that the Canadian way to get things you want is to work to earn the money needed to purchase them.

Teaching him the value of education both at school and at home to enable him to be a real success.
