DARK AFRICA IS PICTURED

Why devil worship in Africa? Rev. Samuel Cassels of the Sudan Interior Mission gave the answer graphically in word and colored motion pictures Wednesday night in First Baptist Church. The films pictured African women dancing for the dead and carried the audience through a series of revelations of darkest Africa.

Native war dances, leprosy men and women, demon-possessed people and tribal customs portrayed Africa as it really is today.

Said Mr. Cassels: "Leprosy is not contagious. It is infectious. The disease germs must enter through a cut in the flesh. Hard work to increase the slowing circulation and plenty of good food to satisfy the appetite thus gained are essential parts of the treatment. Leprosy depresses the spirit and the antidote, the missionary said, was the word of God."

The people bow down before those who have become devil-possessed. They do not worship the person but the demon who is believed to dwell in him. Consequently numbers of Africans strenuously endeavour to become filled with demon power.

The humorous Scottish evangelist brought the evening to a close with powerful challenge from God's Word. Speaking of the prevalent half-hearted Christianity of the day he quoted the words of Jesus: "Why call ye me Lord, Lord, and do not the things that I say?" The congregation also learned that there are still twenty-seven million people in the Sudan who have never once heard the Gospel of Jesus Christ.

CATHOLIC LADIES ELECT OFFICERS

Mrs. E. Telseth Re-elected—Past Year Busy and Successful

Reports on a wide variety of benevolent activities and the election of new officers featured the annual meeting of the Catholic Women's League, held recently. Reports indicated a highly successful year from all standpoints.

New officers elected were: President, Mrs. E. Telseth. First Vice-President, Mrs. H. Young. Second Vice-President, Mrs. L. Doiron. Third Vice-President, Mrs. C. Schaeffer. Secretary, Mrs. G. R. Brett. Corresponding Secretary, Mrs. G. P. Lyons.

Mrs. Telseth was re-elected for her second year of service as president.

Annual report of retiring secretary-treasurer, Mrs. W. Pierce, revealed that the last year had seen an increase of fifteen new members and that there had been satisfactory activity from religious, social and financial aspects. A large number of parcels were sent during the year to Poland, Britain, Germany and Norway.

Reports by various committee leaders inspired satisfaction. Mrs. G. R. Brett reported on Girl Guide activities and Mrs. L. Doiron on the work of the Women's Co-ordinating Council. Mrs. J. A. Smith gave an account of Red Cross work and Mrs. Walter Lahti on efforts to aid displaced persons. Mrs. L. Doiron and Mrs. J. Garon reported on the distribution of gifts at Easter and Christmas to children at Miller Bay Hospital.

Rev. Father Frank Rayner, O.M.I., took the chair during the election of officers.

THIRD ANNUAL MASS DISPLAY

One of the highlights of the Civic Centre's activities is the annual Rup-Rec mass display which is scheduled for April 11 and 12 this year.

The participants in this display will number 400, ranging from pre-school age to the housewife. The range of events will include singing games by the tiny tots—who number 80 members and will be divided into two groups with one performing on Monday and the other on Tuesday nights to the fundamental gymnastics by the Ladies' Keep Fit Class, presented on both nights.

The following program has been arranged:
Singing Games—Rup-Rec tiny tots, Pianist, Grace Brown.
Vaulting and Springboard—Rup-Rec Teen Girls and Boys and Rup-Rec Junior Boys.
DANCE—The Three Dukes. Rup-Rec Junior Girls. Pianist, Barbara Teng.

Exercises and Tumbling—Rup-Rec Teen Girls and Rup-Rec Junior Girls.
Rhythmic—Borden Street School, Grades 4, 5 and 6.
Badminton and Ping Pong—Civic Centre Club Members.
Ground and Ladder Pyramids—King Edward School, Grade 5.

Square Dances—Rup-Rec Teen Girls and Ladies' Keep Fit Class.
Rhythm Drill—Borden Street School, Grades 4, 5 and 6.
Springboard Tumbling—King Edward School, Grade 6.
Fundamental Gymnastics—Rup-Rec Ladies' Keep Fit. Grand Finale.

The grand finale depicts the public appeal of the friendly milk bottle which is standing on counters in stores and banks every day. A silver collection will be taken to aid in the finances of the Rup-Rec classes.

The admission to this display is by free ticket to be procured at the Civic Centre office as long as they last. The supply is limited as the 400 participants have been given first consideration, enabling their parents to attend one night of the display.

LEANING SIGN IS RESTORED

Visitors to Prince Rupert will no longer have the mistaken belief that Terrace is 95 miles up in the sky, thanks to a civic improvement effort by a small group of Junior Chamber of Commerce members last night.

The group, headed by Junior Chamber President S. G. Furk, decided to replace in correct position a tourist sign at the corner of Third Avenue and McBride Street which had been leaning at a drunken angle as a result of manhandling by vandals.

Following a meeting of the convention committee which is organizing details for the B.C. regional convention of the Junior Chamber of Commerce of Canada, the committee found themselves filled with zeal for civic improvement and found hammer and nails.

With an admiring look at their handiwork, someone commented: "That sign will mean something when the highway is cleared."

THE OLD PIANOLA
The old pianola is a far cry from the gaudy juke-boxes of today. Hit-tune tastes have changed, too. But, now as then, Princeton Beer is top favorite.

Mellow... full-bodied... and of unvarying, downright goodness... Princeton Beer continues to be a "must" with all who really know good beer.
For them, the taste-test tells the story.
