Perfect ski-ing conditions prevailed on Sunday and the morning found the experienced skiers on the main run with novices confining themselves to the "kindergarten" slope. The sport continued throughout the day.

Last week-end saw the first real activity on the mountain since before the New Year, although half a dozen members spent a week-end there during th year-end holiday.

George Mostad, Harold Eidsvick, Odd Eidsvick and Bill Whalen enjoyed a day's ski-ing on Mount Baker, Washington, while they were in the south over the Christmas holidays but bad weather prevented them getting in as much of the sport as they would have liked.

Trevor Hill is sailing tonight on a business trip to Vancouver.
