BEST WEEKS

The Intermediate League basketball game Tuesday night was one of the best played this year. Fashion defeated Morgan's by the score of 32-29. Morgan's had the edge in scoring the first half and came out with a 20-17 lead at the half. Team play and ball handling by both teams were good. In the second half Morgan's fell down as their scoring punch went off while Fashion kept pecking away at their lead. With 4 minutes to go, Fashion had tied it up 29-29; only 3 points were scored and they were all dropped in by Joe Haugan. This gave Fashion the victory which they gained by coming from behind.

John Haugan made his appearance as a player for Fashion and led them in scoring with 12 points. He turned in heads up ball and set up the play for his team. Gill worked hard in the pivot but was not helped by his team. Morgan's had a fine passing attack but their shooting was way off the mark. All the scoring was evenly placed among the players.

Morgan's took 63 shots and canned 10. They made 9 of 17 foul shots tried. Fashion made 13 field goals from 58 shots. They took 17 free throws and made 6.

In the Ladies' game Dom's took an overtime victory from the runner-up High School. The play was smooth with both teams using passing plays to open the way to score. Dom's built up an 8-0 lead at the beginning of the game but High School got rolling and tied it up 8-8. The play saw-sawed with Dom's getting the edge in baskets and taking the lead as the half ended 15-11 in their favor. High School opened up the second half with fast breaks and with Currie leading the scoring they crept to within 2 points 22-20 as the final quarter opened. The fourth quarter was all floor play with very little scoring. With a short time left Neile Pavich scored a one-hander from the key to send the game into overtime. The only score in overtime was the winning basket by Betty Hamilton who went the length of the floor unchecked and scored a lay-up for the winning points.

Both teams showed fine team work and passing. Some of their passing could be taken as a lesson by teams in the other leagues.

High School took 41 shots and made 10. They made 4 out of 17 free throws. Dom's took 54 shots and scored 12. They made 2 out of 10 free throws.
