Bettering Court House Grounds

By next summer, Second Avenue between McBride and Fourth Streets will be more attractive than ever before because of the improvement of the provincial government grounds between Third and Fourth Streets. All of the space, by that time, will have been converted into lawns and gardens. This, in addition to the spacious gardens at the Court House, a few blocks eastward, will serve to greatly enhance the appearance of the whole neighborhood.

Changes Made At Fire Hall

A complete remodelling of the upstairs of the Fire Hall was begun this week. The kitchen is being moved to the front of the building where the chief's office used to be and the chief's office to the rear where the kitchen was. Also the dormitory and the

recreation room have exchanged places. The recreation room is now at the front of the building. One of the difficulties met in changing over the recreation room was moving the billiard table, which had to be completely dismantled. The boys have had plenty of fun trying to level it in its new location.

Larry Ryan was fined \$50 and costs on Tuesday on a charge of theft of women's lingerie from a clothesline.

Lutheran Tea—Sale Success

Many ladies called last Saturday afternoon at a fall tea and sale of home cooking by the Ladies' Aid of St. Paul's Lutheran Church and the affair was a complete success. The guests were received in the social parlor of the church by Mrs. Earl Soiland, wife of the pastor.

In charge of the tea room was Mrs. I. Eldsvik, assisted by Mrs. S. Schjovold and Mrs. J. Mostad. Serviteurs were Mrs. H. Hetland, Mrs. T. Fossen and Mrs. Chris

Berg. Mrs. B. Pedersen was cashier.

Mrs. H. Hansen and Mrs. R. Webber directed the sale of home cooking and Mrs. L. Larsen, the fancy work. Selling Christmas cards were Miss Mardell Soiland and Miss Helen Olsen.
