

# SAVOYS SHARE TOP PLACE IN "A" LEAGUE

Savoy Swingers joined the elite of the Ladies "A" Bowling League this week on the strength of three victories over Westview and are now tied for top place in the standings with DeJong's and Gordon and Anderson with seven games won and three lost.

DeJong's entered the week's session with an unblemished record in the current schedule—six wins and no losses—but dropped two of the three games to Gordon and Anderson.

A. McMeekin of Annettes, who has been piling up high individual scores of late, outdid herself Monday night. She took both the single game high score with a more-than-satisfying 369 and rolled up a remarkable three game total of 826, averaging 275 for the triple.

Savoy Swingers 3, Westview 0, Gordon and Anderson 2, DeJong's 1.

neither sympathy or politeness. Neither costs anything. Courtesy is also free and it is to be looked for, anyway. Somehow, the Madame's trip to the States has a chilly feeling. Kind words butter no parsnips.

Tojo, a former premier of Japan, should have had a nervous prostration a week ago. Fact is he has no excuse for not having suffered half a dozen severe attacks already. Tojo has a tough war record and was sentenced to be hanged after a square trial. O.K. Gentlemen, Pray proceed! But this business of suspended suspension—this solemn promise of certain hanging—or an indefinite series of cancellations—is enough to give one the willies. Hang Tojo as high as Haman—either that, or show him the honorable door.

To those who have lived in Prince Rupert for 30 years and longer, the scenic environment can be thought of as old stuff. Sounds a bit unfeeling. But summer tourists, providing they could find creature comforts and entertainment in line with 1949 would remain longer than a couple of hours. There are scores of attractions around Prince Rupert, unobtainable in the stifling, dusty east. Pathfinders, having been here so long, do not see them. But others would.

The November rainfall in Vancouver, to the 30th, was 11.72 inches. This is just passed along as an item of information. Why get into a sweat, anyway, just because some water falls from the sky? You can't say it's news—not in this part of the earth, although it might be in northern Australia.

came through for Don's when she dropped in a 13-up shot just before the final 160 scoundered.

It was an aggressively played game. All players on these teams are experienced and this tends to make the play better and exciting. People's Store took 29 shots and made 6 field goals. Don's took 30 shots and scored 7 baskets.

# JUNIOR LEAGUE

North Star of the Junior League garnered their fourth win with an easy 37 to 19 victory over High School. The opening quarter was close with High School having the better of the play although they were behind at the end of it 6-4. High School's ball handling showed improvement. From then on North Star started rolling and their offense scored quickly as they broke through the defense of High School.

Sather was tops for North Star. Hamilton and Hills played well for High School.

North Star took 49 shots and scored 17 baskets. High School tried 46 shots and made 9 field goals.
