## COMMITTEES OF SMITHERS P.T.A.

SMITHERS—Standing committees of the recently organized Smithers Parent-Teachers' Association were appointed at the monthly meeting held in the elementary school. A turn-out of 40 members responded despite several other activities scheduled for the same evening.

Discussion centred on school lunches and the school library and membership privileges in the P.T.A. It was decided that the dollar membership fee should cover both parents or guardians of school age children since the object of the organization is to stimulate interest in the schools.

April 18 was set as the date for the next meeting.

### STEWART SCHOOL BOARD VISITED

STEWART—School Inspector Joseph Chell paid an official visit to the Stewart Superior School during the past week. A meeting of the school trustees was held at the home of the chairman, Mrs. J. McLeod. Miss Joyce Leslie, administrative head at Prince Rupert for the Provincial Public Health Department, also met the school trustees and outlined the measures being taken by this department for the prevention of disease. Miss Leslie examined the school children and made a partial survey of the needs of this district. The time at her disposal being somewhat limited she was unable to make a complete survey but had, she thought, sufficient information to form a comprehensive view of the situation here.

## BOB HOPE HITS WEST

Much-Heralded Fun Film  
"Paleface" at Capitol Theatre

Bob Hope hits the road to the West for the first time in "The Paleface," his much-heralded new comedy, which comes to the Capitol Theatre here tonight to start a four-day stand. Co-starring with him in an hilarious take-off on the Old West is Jane Russell.

Hope has the role of a traveling dentist whose unfortunate way of pulling the wrong teeth keeps him constantly on the move. When he and "Calamity Jane" (Miss Russell) are forced to leave the same town in a hurry, they team up—Hope for romantic reasons and Jane to use Bob as bait to bring some gun-smuggling bad men out shooting.

There are plenty of Indians and rip-roaring action and rib-tickling situations in the spectacular technicolor production.

A. Try using a wire hair-brush for taking out the hairs and threads from the brush of the carpet sweeper.
