WHOOOPS M'DEAR—That's Wilf Tremblay, Ottawa Rough Riders' surehanded back, taking the nosedive. Wilf kicked two converts and played a solid backfield game Saturday as Riders trounced their old rivals, Toronto Argonauts, 41-6. Pete Karpuk (76) and Doug Smylie (84) are the other Ottawa players looking on. Two unidentified Argo men are equally incapable of altering things as Tremblay dives. (CP Photo)

Sport Shots

Ottawa Roughriders lost the services of Tony Golab, one of the finest Canadian footballers, eight years ago today. Golab suffered a severe back injury that kept him out of the game for some time when Riders defeated Toronto Argos 41-6 in a Big Four game the preceding day.

Lefty Grove's fast ball, poison to American League batters for years, couldn't get him past the first inning of a Little World Series game 25 years ago today. Pitching for Baltimore Orioles against Kansas City, the young southpaw walked four and allowed three hits before being yanked.

CNRA AWARDED SOFTBALL TROPHY

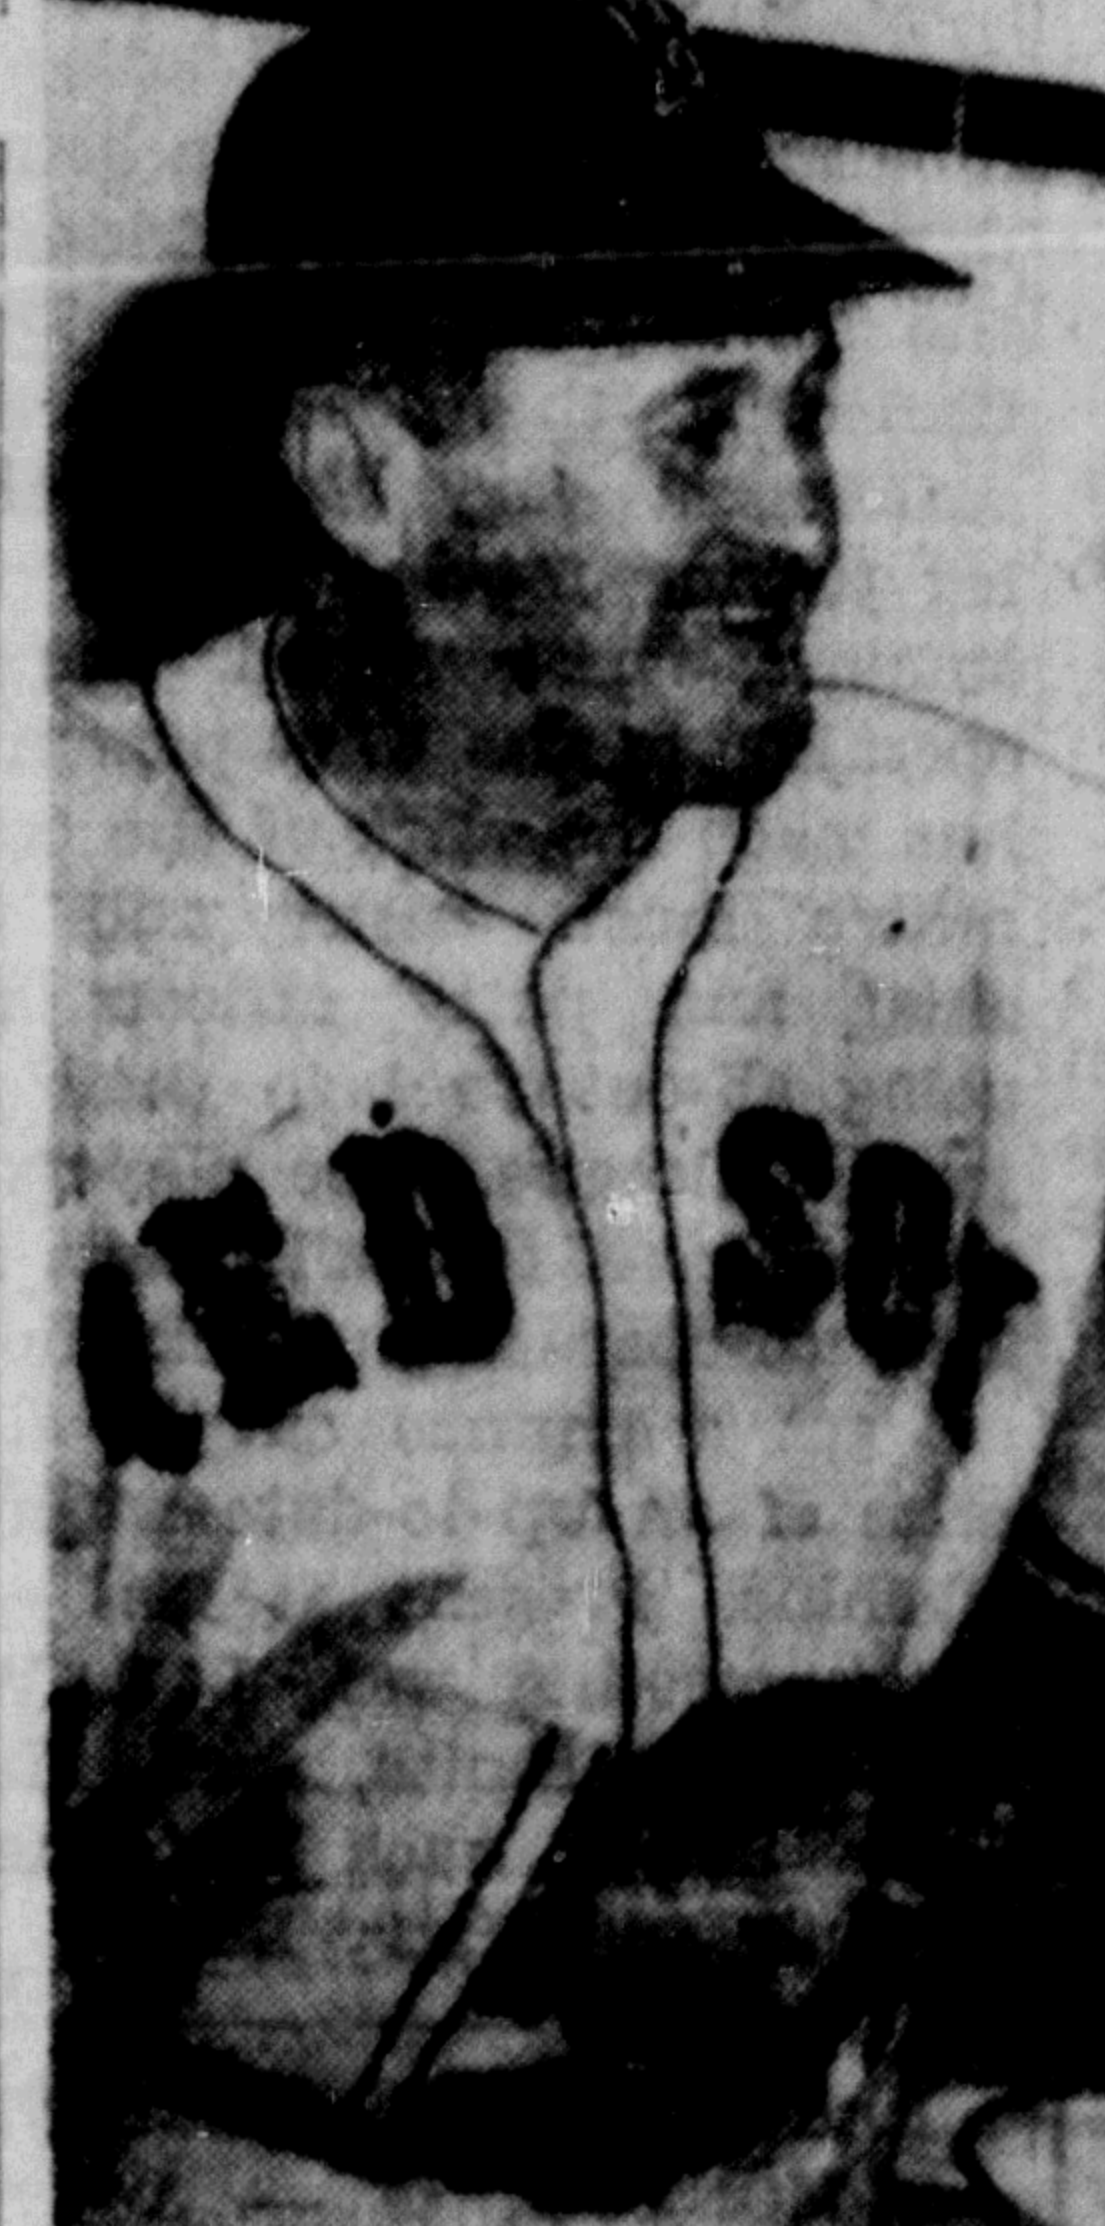

Softball Commissioners Staff Sergeant G. A. Johnson, R. G. Moore and Alf Landon met to officially declare Canadian National Railways Athletic Association the winners by default of the 1948 softball championship. The trophy will be engraved and displayed in the Civic Centre trophy cabinet for the next few months.

Other business of the meeting was the ratifying of all outstanding accounts for payment and the decision to hold \$25 of this year's proceeds over for next season's league costs.

To complete the softball picture for the year, the Commission officially dissolved to enable next year's general meeting to decide on what basis softball should be governed during the 1949 season.
