Would Abolish Execution Death

During a recent club period the Forum Club had a round table discussion on "Capital Punishment." Teams for this topic were Wilfred Yurgenson and Billy Toderas for the negative and Bill Watts and Dick Gilker for the affirmative. It was agreed that capital punishment should be abolished. The majority felt that more humane methods in dealing with crime are desirable and that criminals should be treated as patients.

During the coming club periods the members plan to have voice recording and are going to practice using the microphone.

At the present time, arrangements are being made to hold a banquet at Easter. The executive will arrange all details as to guests, after dinner speakers, and toasts but every member of the club will be given a definite role to play. It is hoped by all that the group will have a pleasurable experience.

Looking Backward

AURORA - 1928

Price Rupert High School boy's basketball team won five games out of eight and, for the first time in many years, the green and gold won the Inter-High School Northern British Columbia championship. Competition was with Ocean Falls and Anyox. They also carried off the city intermediate championship.

The girl's team was also successful in winning the championship in the City League.

A TRIOLET

Falling softly be the rain,
Cooling hearts' own pains
within;
Though the sun will come again,
Softly falling be the rain.
The sun I hold in high disdain,
Tonight I know is fled all sin,
Falling softly be the rain,
Cooling hearts' own pains
within.

TRACK CLUB BUSY

The Track Club has started its 7 o'clock practices again in preparation for the provincial track meet that is to be held in Vancouver at the end of May. Most of the time, so far, has been spent in limbering muscles.

Sale of Coke And Hot Dogs

A coke and hot dog sale was held on Thursday by the junior members of the Cheer Club. The money raised will be used to send some of the cheer leaders south with the team, that is if the team goes. Rena Ingram and Leona Webster were in charge of the sale. The amount of money raised was \$12.

«HOWLERS»

Most of Shakespear's heroines were women.
Racine sank lower and lower and finally he married.
Charles Lamb never married because there was sanity in his family.

La Fleur de France est le lis,
La Fleur de Rupert, je suppose,

SPRING FEVER HITS CAMPUS

Bo-Me-Hi! Clothes, that are either too short or too wide have been dug out of closets and drawers. Baseballs and softballs are being cleared of spider webs and such-like, in the morning, at noon hour or in the school one may see the diamond enthusiasts loosening stiff arms that have been dormant during the winter months.

A PRAYER

O Mighty Lord, O Lord on high,
O mighty ruler in the sky!
Thine searching eye, the gleaming star,
It watches o'er me from afar,
Thy glance relieves my soul so tense
As nature plays with every sense,
As on a cold and frosty day,
The wind steals all the warmth away,
As spring with all its fancied flowers,
Makes hearts more gay than singing bowers,
As quiet autumn's falling leaves
Sadly have their brief reprieves,
As moaning pine on lofty hill,
Leaves my heart so very still,
As much Thy glance from up above,
O'erfills my heart with tender love,
For every descendant of the breed,
Not just for one bright beauty freed,
O Lord on high, do cast thine eye
On those who do the world defy!
To keep a world of loving men,
Unmoved by hate from Satan's den,
Hate so wrought with reeking smell
In all the scorching flames of hell,
O let us by Thy silver light,
Separate out the good and right,
That in Thy glare so silvery bright,
This world will be a radiant light.

PROGRESSIVE DEVELOPMENT IN LOCAL STEAM LAUNDRY AND DRY CLEANING PLANT ON McBRIDE ST.

No one today can afford to pay high prices for men's socks, and find that, even with careful handling, they will shrink in the first wash.
No one can afford to discard valuable socks on account of shrinkage or because they have holes with no one around to darn them.

Ideal Cleaners & Laundry on McBride Street, as shown in today's full page advertisement, has installed the latest sock drying and finishing equipment as well as the most efficient Singer darning machine to help you out of this costly calamity.

This, no doubt, will be most welcome news to all men, single or married, as well as to all housewives in our fair city. It is a step in the right direction, an opportunity for you to save considerable money as well as unpleasantness to say the least.

Just imagine yourself, dressing in a hurry in the morning and finding that your socks go on easy, fit well, feel nice and soft and have not a single so objectionable hole anywhere.

You will be very pleasantly surprised, beginning your day comfortably, instead of finding yourself all wrapped up in a cloud of smoke and curses, wishing you could wring the neck of the one who you think is responsible for your sock troubles.

Ideal Cleaners & Laundry, with the installation of the modern equipment, have seen again that they are the most progressive plant of its kind in the north. They are constantly endeavoring to improve their quality of workmanship by obtaining the necessary equipment and by employing advanced and improved methods in their operations.

Ideal Cleaners & Laundry is a steam laundry and drycleaning plant moderny equipped throughout, efficiently operated by expert help and expert management, clean and sanitary and truly worthy of your patronage.
