What City Council Did

Granted the request of Ald. G. D. Frizell for leave of absence from the meeting and instructed the city clerk to write a letter of condolence on the death of his father, the late ex-Ald. George Frizell.

Accepted the firm bid of McMahon and Burns for sale of the whole city bond issue at par in view of their being unable to dispose of them at the figure at which they had taken the option. It was felt that, although par was over one per cent lower than the option they had taken, it was considerably more than other bids had been.

Received and filed a communication from the Attorney General informing them that the change-over from provincial police to Royal Canadian Mounted Police would be effective August 15.

Granted permission to the Salvation Army to hold a tag day October 7 rather than October 14.

over 14 as requested provided the earlier date was satisfactory to them.

Gave to the finance committee power to act regarding insulation of the city hall and fire hall provided investigation revealed the city had sufficient funds. Ald. Wilfrid McLean voted against the motion.

Gave permission to have read a bylaw to amend Street Parking Bylaw No. 968 and one to provide for a board of park commissioners to have care of and management of city parks.

Adopted recommendations of the board of works committee that permission be granted to Fred Scadden to erect poster panels on Lot 14, Block 35, Sec. 1, and Lot 4, Block 30, Section 1, provided he can satisfy the city that there is no objection from residents in the vicinity of the latter; and that no action be taken regarding a private sewer installed by J. Moritz as the present level is not deep enough to serve adjacent properties. The report was adopted.

Accepted a recommendation of the health, social assistance, police and licensing committee, that the following trade licenses be granted:

Rupert Sawmills Ltd.—Retail lumber sales; Peter Cole—painting contractor; John H. Reid—trucking; R. A. Spark—trucking; John H. Roach—radio and electric sales and service; All-Do Amusement Centre—confectionery and pinball machines.

SETS RECORD — World's largest harness horse money winner with a total of \$212,379, Proximity (1:59 2/5) broke the Stratford, Ont., track record for trotters on Monday, negotiating the mile, over a half-mile track, in 2:06 4/5. Owned by J. Verhurst and Son of Victor, N.Y., the horse was driven by Clint Hodgins of Clandeboye, Ont., top North American driver last year.

Softball Game Errors Comedy

Saturday nights Senior softball game between Rupert Plumbing and Co-op was a riot from start to finish with Plumbing winning 18 to 10. There was plenty of errors on both sides with both teams missing and hitting more than is necessary for one game of ball. However by the time the game ended the Plumbers were leading with a score of 18-10 though they went to bat in the last inning on the low end of a 10-9 score. But with the Co-op errors and the Plumbers hitting power, the Plumbers scored 9 runs which put the game on ice for them.

Chief umpire for the game was Derrick Letourneau. In tonight's game the Firemen play Watson Island.

Baseball Play-Offs

In a prelude warm-up exhibition to the city baseball play-offs which commence tonight, Watson Island Sunday evening scored a 6 to 1 victory over Commercial. Batteries were Don Scherch and Sinclair for Commercial and Robinson and Carolei for Watson Island.

Commencement of the play-offs tonight will see Commercial and Watson Island meeting in the opening of a best two out of three series for the right to meet Abel & Odowes, winners of the regular league season, in the best three out of five final.
