BENEFIT SOCCER FUND IS PLANNED

The chief matter discussed at a meeting of the Prince Rupert Football Association last evening was what steps can be taken in connection with raising funds to take care of the expenses incurred by Doug Christison as a result of his unfortunate accident in breaking his leg in Sunday's football game. The Association has only a small balance but is planning to raise a substantial amount to meet the hospital and other bills.

A committee will meet with the Chief Petty Officers' mess in connection with one item. The Canadian Legion football committee is also planning some action and the general public as well as the sports enthusiasts will be given an opportunity to show their interest in the case. Douglas has always established a fine record as a gentlemanly player, capable on the field and modest off it.

A benefit football game between two teams—the President's Eleven versus the Vice-President's Eleven—will take place on Sunday week. This will be the last official game of the season.

The report of the referee, when two players were benched recently, was considered and the players concerned will be reprimanded.

Present at the meeting were J. S. Wilson, S. P. Woodside, Darrow Gomez, Nick Pavlikis, Stan Veitch and Ralph Smith, secretary-treasurer.

Has the Oil Filter on your car been changed at the manufacturer's recommended mileage? And while on the subject have all the other points requiring periodical attention such as:

• Wheel Bearing Repack • Change of Transmission Lubricants • Cleaning and Re-Oiling of Air Cleaner, etc. been taken care of according to the instruction book? Many of these details are overlooked even by the owner who conscientiously has his car lubricated regularly. We remind our "Regulars" as these services become due.
