Betty Young Must Have Had Had Assistance

Preliminary hearing by Magistrate W. D. Vance into a charge of unlawfully supplying hot water and soap for an illegal operation, laid against Ernest Jabour concluded Tuesday afternoon with announcement by the magistrate that he would commit accused for trial on Friday. Bail is to be arranged pending the formal committal.

'The charge against Jabour arose out of the April 19 discovery of 19-year-old Betty Young, whose body was found in a downtown rooming house.

Final phase of the preliminary hearing was on Tuesday afternoon when Magistrate W. D. Vance found a prima facie case. gala dance in the Civic Centre R. M. MacLeod is acting as defense counsel.

Three police officers, Const. was George Redhead, Cpl. E. A. played by Andy McNaughton and Wales and Const. Jack White the Dukes Orchestra who ren- testified at Tuesday's hearing and entered further evidence.

Testimony of Const. Redhead revealed that Jabour had called the police officer before 8 a.m. April 19. When Jabour arrived at The final event of the evening the police office, Const. Redhead stated, he threw some keys

OTTAWA (CP)—A freight rate of 3.4 per cent, amounting to about \$13,000,000 a year, was awarded today to railways by the Board of Transport Commissioners. The board, disposing of the rate case started in 1948, boosted to 20 per cent the March 1 award of 16 per cent. The net result was an increase

of 3.4 per cent on rates put into effect through the March 1 judgment and which now are effective. The increase is effective on 15 days notice.

The new award was granted following an application from the railways on the grounds that a mistake had been made by the board in its March 1 decision. The railways contend the board found a "deficiency" in rail operating revenue and failed to cover it in that award.

There was no immediate announcement from either the C.P.R. or the C.N.R. on the freight rate decision.

Police Change Under Survey

A letter from Attorney-Gen eral Gordon Wismer read at the regular meeting of the city council stated negotiations were proceeding between the federal and provincial governments regarding having the Royal Canadian Mounted Police take over the British Columbia Provincial Police. A survey was being carried Connie Jean, 14,000, 24.1c, 24 out with all members of the provincial force, to find out how the change over would affect them financially and otherwise.

The government, the letter assured, would carry out the present contract for the balance of the year no matter what the negotiations came to. However, a new contract would have to be negotiated each year thereafter.

The letter was received and filed until more definite information was received .
