Between the BASKETS

The Ladies League feature in basketball Tuesday night was just the usual, only more so. There was nothing spectacular in the way of passing or scoring and Dom's won out by sheer persistence with 19 points to High School's 18. There is an inherent something among all referees of those ladies games to be gentlemen, and they seem to be reluctant to call fouls on the opposite sex. Last night only five fouls were called and the game suffered accordingly. A hundred fouls would not have been out of order but, of course, the referees would know that by the spectators and yet if basketball in this league is to be improved the fouls must be called.

Dom's 1, Yorkminds, Standifer & Kwiatt, Cluett 3, J. Standifer & N. Youngman 3, J. Williams, total 18.

High School — Greenwood 3, Lukianuk, Parrish 4, Webster 2, Nelson 4, Murdock, Pearson, Keays, Sedgwick, Leavitt, Total 12.

In the Junior game between Kinsmen and High School, the Kinsmen won 36-31. This game showed a good brand of ball handling, with both teams driving towards their baskets for points. The Kinsmen led all the way with High School putting on spurts to try and overcome this lead but could not. Nickerson was top man for High School with 11 points while Letourneau for Kinsmen had a field day with 18. All these junior boys are improving in their play and by the end of the 1st half of the schedule, one should see top-notch basketball in this division.

Kinsmen — W. Blackaby, Letourneau 18, A. Blackaby, McKay 4, Powell, H. Blackaby 13, McAdam, McIntosh 2, White 1, Total 36.

High School — Clark 2, Sheppard 3, Peterson 3, Tait, Rhodes, Brown 4, Nickerson 11, Hewer 2, Stubbs, Total 31.

Senior League scoring was as follows:

Brownsmen — Osipitch 5, Slater 8, Lavigne 8, Hill 2, Pierce 6, Stanbury 12, Thompson 8, Ogawa, Brown, Total 50.

Ho-Me-Ho—Irving 8, Chilton 4, Schenk 16, Wolgien 4, Moore 4, Hill, Strickland 6, McChesney 4, Christensen 2, Skaggs, Total 42.

Intermediate League scoring: Kwoh Shop—Mayberg 12, Wench 2, Simmons, Young 3, Smith 5, Patrick, Kitchener, Snelgrove, Hamilton, Total 24.

Kitchen Aids 12, Hobbs, Hill 4, Hetherington 10, Linn 4, Haggart 4, Watson 2, Shea, Total 38.

Just An Idea

No Inter-Com System at City Hall Yet

Rumors had been buzzing in and out of city hall to the effect that an intercommunication system is now installed in the building. The mouth to mouth boys have even connected the fire hall with city hall via this new communication set up.

But, there is nothing to it, according to Jack Edwards, superintendent of telephones.

"It's just an idea," he says.

Do you know that we have two old-time champion sailors living in this city? If not, take a trip out to Prince Rupert's Seaplane Base at Sea Island and see Bert Shallenberger and Neils Jensen. Neils is the one who sailed his ship from this country to Norway.
