

for more delicious Soups

"Cream" Them
with Carnation
to glorify canned soups!

Give more goodness to canned
soup or soup mix. Make it with
Carnation, mixed half and half
with water. For extra creamy
soup, use Carnation undiluted—
luxurious yet thrifty.

"from Contented Cows"

LISTEN TO THE Contented
Cows every Sunday. See
your newspaper for station
and time.

Enrich your meals
with the Milk
"from Contented Cows"

Only water is removed in producing
Carnation Evaporated Milk—nothing
is added. But special processing makes it
more useful than any other form of milk.

Use Carnation like cream—it is
double-rich—so heavy you can whip it.

When your recipe says milk—restore
the water. Diluted 50-50, Carnation has
all milk's food values.

Supply Routes To
Red Forces Cut

TOKYO @—Communist forces
in South Korea are now cut off
from their source of supply in
the north, Gen. Douglas Mac-
Arthur said today.

He said Superfort bombing now
has "just about completed" the
job of cutting all Communist
communication routes south-
ward.

EDINBURGH @—Burglars
who blew open a safe in a bank
in Edinburgh's Gilmerton district
got only 13 shillings (about two
dollars)—the cleaner's wages.
