## SKI CLUB TURNS OUT TO REPAIR ME: HAYS CABINS

Prince Rupert Ski Club members made a concerted working raid on their cabins on Mount Hays at the week-end getting off to a good start on construction of a new ski-tow cabin and repairing many of the other buildings which have suffered from disrepair.

Majority of the party reached the mountain top at midnight Saturday, following a small, earlier group which had made fires and prepared coffee. Sunday morning, they were joined by still more club members, bringing the total turnout to about 50.

Remaining lumber for the ski-tow cabin was carried up the slopes and construction of the building begun. A large area was cleared near the site of the building. Those at work on the other cabins replaced window panes, repaired doors and generally cleaning up.

A further work party is planned for the coming week-end.

## WESTVIEW SHINES IN BOWL SESSION

No material change resulted in the Ladies "A" Five-Pin League this week, although Westview, which was in second cellar position, improved its standing somewhat and now shares the same relative spot with Manson's and Taft and Odowes.

Westview joined DeJongs in winning three games from their respective opponents, Orange and Taft and Odowes. DeJongs however, still maintain top position in the league with 23 games won and seven lost.

Top individual scorer this week was D. Macphee of Savoy Swingers who bowled high scores both in the single game and three-game categories. Her single game score was 273, while the three-game total was 703, averaging 235.

Westview 3, Orange 0  
DeJongs 3, Taft and Odowes 0  
Savoy Swingers 2, Annettes 1  
Scubys 2, Variety 1  
Gordon & Anderson 2, aMansons 1.

**SEMI-FINAL**—A sudden-death game at Ottawa Saturday will decide the eastern football team to meet Calgary Stampede for the Dominion title November 27. The semi-finals were reached Saturday when Ottawa Rough Riders romped to victory in the Big Four over the Montreal Alouettes at Ottawa and Hamilton Tigers clinched the O.R.F.U. title by defeating Toronto Beavers at Hamilton. Top photo shows Jerry Walsh, rangy Hamilton backfielder, wading through mud-spattered, unidentified Toronto players as Hamilton ended their season undefeated. In the bottom photo Ches McCane (50) of Montreal looks a bit befuddled in the heat of the Montreal dressing room after he and the Montreal Alouettes lost to the Rough Riders. Coach Wally Masters smilingly shakes his hand while Jake Dunlap looks over his shoulder. At right are Tony Golab (72), star of the series, and Don Loney (77). (CP Photo)

Senior—Co-op vs. Brownwoods.  
Women—People's vs. Miller Bay.  
GRAVING DOCKS  
Graving dock is another name given to dry docks, in which 62 ships can be repaired after the water is pumped out.

## FINE GOAT AT JASPER

New York Man Has Good Hunting in Mountains

JASPER—"One of the most magnificent goat specimens ever to be brought out; I have never seen anything finer in my lifetime of work in the Canadian Rockies," declared Major Fred Brewster, veteran guide and outfitter and big game hunter of the Rocky Mountains here yesterday. He was chatting about Dr. Anthony Jurasz, of New York who had recently spent a couple of weeks hunting in the Eagle Nest Pass country north of Jasper National Park with much success and is now on his way home to New York.

Major Brewster had arranged the trip and naturally was pleased with the result. "This goat was of good size but the pelage was luxuriant and long. It had a good length head with very fine and perfect horns. No finer specimen has ever been brought out from here," stated the man who has lived his life in the mountains and knows whereof he speaks.

Dr. Jurasz also brought out a grand medium sized grizzly bear of fine color and perfect formation. "Up north of the park is one of the greatest big game countries in the world and is attracting wider interest every year," says Major Brewster. Many hunting parties hunted in this area this fall with excellent results.

## CLUB SPONSOR RIFLE SHOOTING

Rod and Gun Discusses Trout Stocking and Other Matters

Prince Rupert Rod and Gun Club plans to sponsor the formation of a small-bore rifle association as a move to provide entertainment and to teach members proper care and use of their rifles. The idea was approved at a meeting of the club in the Civic Centre Monday night.

Proposal for the move was made by George Murray, who saw the Rod and Gun Club as logical sponsors for such a club. Mr. Murray was one of the organizers of the rifle range in the Civic Centre.

Organized use of the range, he pointed out, would lead to participation in shooting matches on the local provincial and national scale.

The following members were selected to begin the project: Ned McLeod, George Murray, Theo Fortune, Norman Christensen and Tom Boulter, jr.

The matter of restocking nearby lakes with trout was discussed and it was agreed that some suitable location for a hatchery should be found. With the establishment of a hatchery, Kamloops trout eggs would be obtained and hatched for placing in the lakes.

Date of the annual Rod and Gun Club game dinner was set for the latter part of January or early February. Final decision will be made later. Attendance will be reserved for members only.

The meeting was advised that membership has been taken out in the Prince Rupert Film Council and that Pat Ratchford has been appointed delegate to the council and projectionist. Arrangements have been made for the showing of pictures at future meetings.

Chairman of the meeting was President Ned McLeod and there was a good attendance of members.

**CATCH "ATTACKER"**  
VERMILLION, Alta. (P)—Several boys set gopher traps to safeguard a hideout on the south side of town from attackers. They caught one—a skunk.

## SWIM POOL AT JASPER

JASPER—By midsummer of next year, it is expected that this little town in the Canadian Rockies will be able to boast of one of the finest swimming pools in all Canada and one of the very few places in the Dominion where swimming trials can be held over the full Olympic distance. This announcement was made here today by Major J. Wood, superintendent of Jasper National Park.

The new swimming pool is the first unit of general expansion to be offered visitors to the park and work is already well under way. The pool will be 165 feet in length and 42 feet in width. One end will be 15 feet in depth to take care of the diving, while the other will be shallow enough to take care of children and non-swimmers.

The complete program calls for an artificial ice curling and skating rink; tennis courts, lawn bowling greens and a playground to take care of baseball and a quarter-mile track.

"When the swimming pool goes into operation it will readily be seen what an ideal place this will be for the Olympic trials and contenders will be able to test themselves under truly Olympic conditions. The pool also will be tremendously popular with the thousands of tourists throughout the summer season," declared the veteran park superintendent.
