

BASKETBALL—

Brownwoods Score Impressive Win Over Gordon and Anderson 67 to 37

Brownwoods romped home with the most decisive victory of this or just about any other basketball season of recent years in the senior division when they trounced Gordon and Anderson by a 67 to 37 score on Saturday night. It was a great victory after the many heartbreakers that Brownwoods have lost by one or two-point margins during the past two seasons.

Ray Spring played the finest game of his sport career. He

made 27 points, 17 of them in the first half when he just about broke the hearts of his rivals. His team play was superb and his energy and drive certainly gave his teammates the incentive to go out and win. During the second half he was used sparingly as the hardware men were checking him hard but when he was on the floor he just couldn't miss. His shot from 30 feet out and to the side while away off balance after a particularly hard check was one of the highlights of an otherwise rather dull game.

Gordon and Anderson played good ball in the first half to hold Brownwoods down to a 17-to-12 lead. Jimmy Flaten worked like a Trojan all evening, trying to spark his team. Holkestad played a fine game, getting nine points and feeding Flaten some nice passes that helped his 13-point total. Once again this team was able to work the ball up to within shooting position but at that point did not seem to know what to do with the sphere, either fumbling it or letting the other side get control. Coach Garnet Montgomery was philosophical about his team's

loss, stating that at least it was a good lesson.

For Brownwoods, Art Olson was a tower of strength on the offense, covering his check well and controlling a lot of the rebound play, although Gill, Flaten and Holkestad for G & A were also getting in for the rebounds. Olson made 12 big points, mostly from under the basket. Carlson made nine but wasn't putting much spirit into the game. Sunberg and Hartwig played driving game and, along with Lavigne, provided plenty of speed and color. In spite of Gordon and Anderson's loss, this writer still predicts that they will be winning plenty of games before the season comes to an end.

INTERMEDIATE

High School Gold took a firm hold on first place in the intermediate division, swamping Merchants by a 58-to-26 score. McChesney clicked for 23 points and Kristmanson played a good game in the pivot spot to swish the hoop for 10. Coach Jack Evans gave every player an opportunity on the floor and his whole team showed the benefit of good coaching.

For Merchants, Christoff was outstanding, scoring 15 points, and by far the most effective man on the team. This team hasn't shown very well this season, and will need a lot more practice if they are to take over any but the last place in the league standings.

JUNIOR

High School Juniors also had a one-sided victory, taking the game from Rupert Hotel by a 32-to-21 margin. Danny McAfee scored 10 for the winners and played a nice game. Sankey, for Rupert Hotel, was high for both teams with 11 points. Although one-sided, it was a good game to watch, with only 15 fouls called and only two or three on the

winners, who played an exceptionally clean game.

Tomorrow night sees the Senior League first-place Co-ops playing the second-place Brownwoods. A win for the Brownwoods would tie up first place. If the shoemen play like they did on Saturday they are just about a cinch to win. Scuby's Thunderbirds will play High Green, and Cooks meet Mansons in the Junior division.

E. W. (Joe) Griffiths, who has represented Canada as an official and as an assistant coach at two Olympics, will retire next spring after 30 years on the faculty of the University of Saskatchewan. In 1937, the university named its new stadium, "Griffiths Stadium," in his honor.

Griffiths came to the University of Saskatchewan in 1920 as its first director of physical education. Later, he was manager of the men's athletic board and was appointed director of varsity athletics in 1948. He was president of the Saskatchewan branch of the Canadian Physical Education Association for several years and in 1936 was assistant coach of the Canadian Olympic swimming team in Berlin. He was a track and field official at the 1948 London Olympics.

Last spring Griffiths was chosen for the honor award of the Canadian Association for Health, Physical Education and Recreation, given for "distinguished and meritorious service as a mature leader in his field in Canada."

JUNIOR CITIZENS' DAY (Continued from page 1)

duplicate, he said. City Clerk H. D. Thain told students that as future citizens they would have the privilege and the duty to vote in civic elections in the community in which they lived. He wished, he said, that some of the voters he came in contact with had had the training students were receiving in high school.

Mr. Thain explained that the city council was made up of a mayor and a number of aldermen—in Prince Rupert eight—half of whom were elected each year. The mayor, he said, was elected every two years, and four aldermen annually. There were three classes of voters—property owners, who had the right to vote not only at elections but also on bylaws requiring expenditure of funds; householders, who paid a poll tax, and license holders, who paid a tax to be in business. In all cases, he continued, voters were required to be British subjects and over the age of 21.

The city clerk said qualifications would probably allow everyone in the school to vote. In a municipal election, the mayor was required to own property to the value of \$1,000 above encumbrances and to have his nomination backed by two citizens. The property qualification had to be in effect for at least six months before the date of election. Similar, but not the same, qualifications were required of candidates for alderman. The four aldermen receiving the greatest number of votes were elected. In case of a tie, the returning officer cast the deciding ballot. Mr. Thain offered further advice and assistance to the junior city clerk, Iona Hardy has been chosen for that position.

\$100 FOR ORCHESTRA

A feature of the assembly was the presentation on behalf of Prince Rupert Trades and Labor Council by A. F. Robertson, faculty representative on the council, of a cheque for \$100 toward the school orchestra. In making the presentation to President Bill Toderas of the Students' Council, Mr. Robertson said the gift was on the understanding that there would be further support in the future. Bill Toderas thanked the Trades and Labor Council on behalf of the students for the generous gift.

A brief resume of his trip to the Boy Scout jamboree at Valley Forge, Pa., was given by Magnus I. Olson. The afternoon's program ended with a basketball game between the senior girls and the teachers, which the latter won 26 to 19, turning the tables from the previous year.

PERSONALS

Lieut. Cdr. J. M. Golby returned by air Friday from a trip to Ottawa on navy business. Mrs. A. Solloway arrived in the city on Friday's plane from Vancouver to join her husband, who is traffic assistant at the local office of Canadian Pacific Airlines.

J. E. R. Wood, after one of his periodical visits to local road work for which his concern has the contract, left by Saturday's plane on his return to Vancouver.

F. J. Hemsworth, resident mining engineer, returned to the city on Friday afternoon's plane from Vancouver where he attended the convention of the Canadian Institute of Mining and Metallurgy.

pared to die for our country but also live for it, dedicating our lives to the service of God. Thereby may we always honor the memory of those who gave their all."

Dr. Wright also offered the Remembrance Day prayer in the absence of Rev. Charles L. Lomas, honorary chaplain to the forces.

At the conclusion of the address, as pipers played a lament, wreaths were placed at the base of the cenotaph by Mayor George W. Rudderham, on behalf of the city, representatives of the Legion organizations, and others.

Bugler W. J. Rance sounded "Cease Fire" as the service opened and a two-minute silence was observed. Then the solemn notes of the "Last Post" broke into the quiet air.

After the "Reveille" the proceedings closed.

The combined bands accompanied the singing of "O God Our Help in Ages Past" during the service which opened with "O Canada," after the peal of the Cathedral bells had signalled the 11 o'clock hour, and closed with the National Anthem.

The cenotaph guard, in charge of Capt. J. A. Teng, included Lt. Cdr. J. W. Golby, HMCS Chatham; Flight Lieutenant Douglas Stewart and Constable G. D. Roberts, Royal Canadian Mounted Police. The guardians were P.O. Douglas Christison and A.B. Sidney Alexander, Navy; Gunner James Steeves, Army, and Sgt. John McDougall, Royal Canadian Air Force.

LATER AT LEGION

Following the Armistice Day parade Saturday, Prince Rupert veterans gathered at the Canadian Legion hall for refreshments and an impromptu entertainment.

At 2 p.m. the group gathered at the armory for a banquet. Guests at the head table were Past Presidents C. L. Youngman, W. J. Rance, Ralph Smith, Sid Bird and Harry Breen; Zone Commander J. S. Wilson, President J. Nicoll, First Vice-President Rod McLeod, Second Vice-President Alex Haig, Honorary Vice-President Lt. Col. S. D. Johnston, Mayor George Rudderham, E. T. Applewhite, M.P., Lt. Cdr. J. M. Golby and Bandmaster Fred McKay of the Greenville Concert Band.

A delightful meal was served by the Women's Auxiliary. Following the banquet was an entertainment featuring Pipers McKay and McDonald, Nigel Hale and others. Fred McKay spoke a few words on behalf of the Greenville Concert Band and others at the head table spoke briefly and appropriately.
