INTERFERENCE APPROVED

I don't like to interfere, but when I found that my youngest daughter-in-law didn't know that blueing is the only safe way to keep clothes white, I felt I just had to say something. 'Reckitt's Blue prevents clothes turning yellow', I told her. 'Just a swish or two in the final rinse and your wash will be sparkling white.' Blue is necessary to obtain true white. At the same time she takes no chances with anything that may damage fabric.

Mrs. Gratton To Live in Ottawa

Many old time friends of Mrs. E. Gratton, resident of Prince Rupert for many years and more recently living in Vancouver, will be interested to learn that she has left the coast to reside in Ottawa. Enroute east she stopped off in Kamloops to visit her granddaughter, Sister M. Anson, of St. Ann's Academy, also friends in Winnipeg. Mrs. Gratton's son-in-law and daughter, Mr. and Mrs. J. A. Verwoerd, leave Vancouver shortly for Los Angeles for an indefinite stay. There they plan to start the showing of their unique big-game and fishing movies, taken during two years of filming in the famed East Kootenay and Rocky Mountain regions.
