Baptist Picnic
Enjoyable Event

Digby Island Saturday proved itself a popular picnic domain when about 150 children and adults of the First Baptist Church enjoyed a sunny afternoon. Taken over in Charles J. Currie's vessel, the party, in charge of Henry Vanderheide, engaged in various games such as races, tug of war, etc., broken only by refreshments of sandwiches, soft drinks and ice cream. The group, weary but happy, returned to the city about 8 p.m.

Margie Brain Is
Shower Honoree

With the assistance of her many friends, Mrs. D. Santurbane held a miscellaneous shower at her home Friday evening in honor of Miss Margie Brain who is to marry Vernon Ciccone in the near future.

The gifts were presented in a basket decorated as a replica of the float in which Miss Brain was Miss P.N.E. in the 1948 beauty contest. In a few well chosen words, the guest of honor thanked the ladies for the many and useful gifts.

The evening was pleasantly spent in the playing of games under the supervision of Mrs. Fred Berry.

On a table covered with a beautiful cutwork cloth and centred with seasonal flowers and yellow tapers, the bride-to-be's grandmothers, Mrs. A. St. G. Brain and Mrs. K. L. Monteith, presided at the urns and delicious refreshments were served.

Terrace Helps
Manitoba Fund

TERRACE—Two events for the Manitoba Flood Relief have been held in town during the past week and each was very successful. Friday night's dance was sponsored by the Credit Union with R. Squires as chairman of the committee and G. West and J. Reynolds, assisting him. The Civic Centre, the orchestras and the refreshments were all donated. The music was supplied by Frank Gavan's Rhythmairs and Gerald Toop's Melody Masters. W. Toop was master of ceremonies for the dance.

On Saturday afternoon, the Catholic Women's League held a tea and sale of home-cooking in the Credit Union Hall in aid of the Manitoba Flood Relief. The tables were prettily decorated with afternoon tea cloths and vases of flowers and the home-cooking stall held some very tempting things to eat. In charge of this stall were Mrs. W. Christy and Mrs. Hobenschild. Mrs. H. Doll, president of the League, was general convener while Mrs. M. Miller was hostess of the tea-room. Mrs. Robert was cashier. Serviteurs were, Mrs. G. West, Mrs. J. Gordon, Miss B. Matte, Miss Lynne Tetreault. Also helping was Mrs. V. Giraud. In the kitchen were, Mrs. H. Cote, Mrs. J. de Kergommeaux, Mrs. J. Normandeau, Mrs. C. Kofoed, Mrs. Whalen, Mrs. Lever.

Two Fish On
One Hook Here

Two fish on one hook is good fishing, no matter what the kind of fish, so it was a unique piscatorial event last evening for "Dad" Jordan, nonagenarian father of Harvey Jordan of St. Helen's, Oregon, who is back in port again after a cruise as far north as Hyder, Alaska, with his yacht Pixie.

The Pixie, which arrived yesterday afternoon, was moored at the Prince Rupert Rowing and Yacht Club and "Dad" Jordan was fishing with deep line over the side of the Standard Oil Co. dock. After the heavy tug, up he pulled his line and first to appear was an eel and below that a large bullhead. Evidently, the eel had taken the bait first and along came the bullhead to devour the eel.

OVER 60—BUT NEVER
CONSTIPATED NOW

"After a lifetime of constipation I became 'regular' simply by making KELLOGG'S ALL-BRAN my breakfast cereal. No more pills or medicines—such a difference!" R. E. Schultz, 5 Bedford Rd., Kitchener, Ont. Just one of many unsolicited letters. If you, too, suffer from constipation due to lack of bulk in the diet—don't waste any more time. Start eating an ounce of toasty ALL-BRAN for breakfast, and drink plenty of water. If after 10 days you are not on the road to complete regularity, send empty box to Kellogg's, London, Ont. DRY DOCK FIRE

City firemen were called to the dry dock at 1:20 Sunday to extinguish a blaze caused by an explosion. An employee was engaged in welding a section of the body of a truck owned by Russell Burt when a spark apparently ignited gas fumes from the gas tank. The explosion seared the face of the welder and damaged upholstery in the cab. Three men fought the blaze before firemen arrived. Extent of damage was light.

George Dibb after a business trip to Vancouver, returned to the city by plane Monday.

K. F. Harding, manager of the Prince Rupert Fishermen's Co-operative, left the city by plane today on a business trip to Vancouver.

The sum of \$413.66 has been turned over at the City Hall to the Manitoba Flood Relief Campaign as a result of the recent Jumbo (big salibut) guessing contest.

WEIRD TWIST IN
ROMANTIC FILM

Widely-heralded romantic comedy starring Jane Wyman, Dennis Morgan and Eve Arden comes to the screen of the Capitol Theatre here in "The Lady Takes a Sailor," showing here this Wednesday and Thursday.

It is a romantic yarn which begins in a weird submarine tractor at the bottom of the ocean and winds up in a sea of matrimony to make what is said to be one of the top laugh hits of the year.

Miss Wyman is the president of a research institute and Dennis Morgan is the inventor of the submarine contraption. The girl's integrity is questioned and Morgan is unable to substantiate it for fear of revealing a military secret.

Eve Arden is the girl's long suffering chum and Lina Romay is a night club beauty.

Robert Douglas, Allan Joslyn and Tom Tully also figure prominently in the hilarious proceedings.

MANSON'S

YOUR FRIENDLY JEWELLER

WOULD YOU
BE HAPPY
ON A
LEASH?

It's just as natural to want to get ahead and to succeed in any undertaking as it is to eat. Human beings are made that way.

When an individual starts to work as a clerk—as a pick-and-shovel man—as an interne or as a teacher, he doesn't see himself doing the same job for the rest of his life. He sees himself as office manager or sales manager, as a foreman or superintendent on a big job, as a famous specialist or as a school principal or professor.

Under our system that's where the office managers, the sales managers, the foremen, the superintendents, the famous specialists and educators come from. They come from the ranks—from the fellows who started out as clerks, working men and inexperienced students.

Ours is still the only system that permits the individual the opportunity to choose his job; to live where he pleases; to make the best use of his abilities to get along in the world and to hold his head up as an independent and free person.

It is still the only system that lends itself to steady improvement by democratic processes.
