

Wire trouble between Ashcroft and Lillooet Wednesday after-

noon held up wire service for a short period. C.N. Telegraphs announced today. The trouble was remedied in a short while. It was due to flood water conditions near Lillooet.

Sport Shots

Tonight tells a lot as far as city league baseball is concerned. It is a case of the old hands at baseball against the youngsters. With the exception of very few players the Watson Island team is made up of untried players. Commercially are well balanced between seasoned players and rookies, although their pitching staff has been depleted through injuries. Abel & Odowes on the other hand, are over balanced with hardened baseball players.

The question is whether or not the youngsters can keep their hearts long enough - to become

good players by mid-season or whether the old men of the game will knock the hearts out of them before the season gets started. There is good raw material among the new comers. Managers have a lot to work on. But they are under a big disadvantage as long as the old timers are knocking their boys all over the field before they are brought into shape.
