BIG HIKE WAS REALLY FUN

The big hike to Grassy Bay will be long remembered by some of the Fun Club members as, owing to their not having bicycles, there was quite a trek home. Transportation was arranged out to the Bay by A. E. Smith who took five members out in his car. However, the ride was so enjoyable in the limousine that half of the club members went too far and there was quite a backtrack to the correct destination. Lunches were the order of the day. The weather being perfect, good games were enjoyed including cowboys and Indians.

Miss Joyce Pottle was in charge of the entire group and the day was a complete success. Next meeting Tuesday will be a sightseeing trip to the Cold storage.

Letourneau's Easy Victory

Final Inning Rally Gives Victory to Commercial

Dick Letourneau won his easiest victory of the baseball season yesterday when he pitched to and retired two batters, when with a final inning rally, the Commercial triumphed over Merchants 7 to 6. The Hotelmen had been the victors in the previous league game when a similar situation in Savoys upset them in the eighth.

Letourneau's plum came about when he replaced McKinnon on the mound in the ninth inning with one out. The score was then Merchants 6, Commercial 3. His teammates forthwith got to Rosedale for four hits and a walk and the score was tied. At this point, Abel, attempting to catch a runner off the sack, threw the ball into the outfield and Ewart romped home with the winning run.

Up to this point Rosedale had the game well in hand and appeared to be headed for his second league victory.

In the hitting department, Cornwall turned in a brilliant five for five but only slightly outshone Dahl and Rosedale who each collected four hits in five times at bat.

McClymont Park News

The latest addition to the McClymont Park is a huge new sand box which should be a delight to the kiddies. It is much larger than the previous one and nearer the creek and sand. Thanks to Orme Stuart this should be filled and ready for activity early this week.

With the registration money which has been collected from swim class registration fees, a new softball has been purchased and was a great asset to Saturday night's game at Algoma park. A bonfire is held there every Saturday night with different participants bringing weiners, marshmallows and potatoes to roast.

Not only have these funds purchased a softball, but also a croquet set which will be put to use as soon as the ground at the base of the swimming pool slope is put in readiness. If the questions asked by the kiddies watching the progress of the clearing is any criterion, this

SWIMMING CLASSES ARE HIGHLY POPULAR; OVER REGISTRATION

To say the swimming classes at the Gyro pool are proving popular is a gross understatement. Saturday afternoon saw the registration in the 8 to 10 year old class climb to 53 which is three over the quota. Therefore, further enthusiasts will have to be patient and register after this class is over, a matter of two weeks when the classes will start over again.

The pool hours are still from 1 to 9 p.m. and the pool is supervised for safety during these hours. The pool is open to everyone who can swim while the kiddies wading pool is for the youngsters who cannot swim, but who enjoy a lot of fun in the water.

GENERAL MOTORS MEET BATTERY

General Motors are home team to Heavy Battery in tonight's City League football fixture. The Motors line-up will be selected from the following players: Boulter, Lien, J. Wilson, C. Currie, Haugen, Owens, Blackmore, P. Wilson, Sonstebj, Currie, R. Halvorsen, Simundson.

Soccer Schedule

Schedule for the North Star Trophy football series is as follows:

July 11—General Motors vs. Heavy Battery

Sport Shots

Wielders of epees and sabres are cutting themselves a sizeable niche in British sport. It's a pastime both men and women are taking to like magnets to steel. The women join mainly to get slim. But they soon get enthusiastic about the game itself. The men came home from the forces intrigued by the expert swordsmanship they saw during service and they're keen to have a go themselves.

Throughout the country clubs are forming. And the education ministry, quick to note the rising interest in lunge and parry, has made a grant to the Amateur Fencing Association to provide a national fencing coach. The coach will go on tour and brief the most promising members of provincial fencing clubs as local instructors.

Many of those now learning the arts of cut and thrust with sabres, foils and epees formerly confined their sporting ventures to the pub dartboard and a card table. To date most of Britain's fencing honors have gone to the London Fencing Club.
