Cold Xmas At Terrace

TERRACE—Heavy snow fell in Terrace on Christmas Eve and cars and pedestrians had a hard time getting around then and on Christmas Day. One or two cars were marooned on the outskirts of the town during the day, but most of the cars got through all right. The temperature got down to near zero and has since become colder hitting the zero mark on Thursday morning.

LOOKING BACK

10 Years Ago

December 30, 1939
First step in reorganizing the Girl Guides in the city was taken at a meeting at the home of Mrs. C. V. Evitt, Fourth Avenue East. Plans were laid for the organizing of two troops.

Revived for wartime activity, the Prince Rupert Branch of the Canadian Red Cross Society received a new charter and planned a public organizational meeting in the near future. City Commissioner Alder presided at an executive meeting.

Municipal voters, in a plebiscite, voted emphatically in favor of a city manager under an elected advisory body in place of the city commissionership which had prevailed for the last few years.

25 Years Ago

December 30, 1914
Arrangements were nearing completion to ship Bulkley Valley cattle to Japan, according to Charles Kelly of Smithers. It was planned to bring the Canadian vessel, Canadian Miller here to load the livestock.

The halibut boat Azores, Capt. Charles Edwards, exploded and sank near Thurston Harbor, Moresby Island, but her crew of two escaped in a dory.

City Council was studying a suggestion by the Prince Rupert Ratepayers' Association that the city hire a city manager to head its affairs.

KETCHIKAN WINS
(Continued from Page 1)

Rupert to a near-victory. Johansen, for the Elks, was high man of the game with a tidy twenty points. He was followed by the fast stepping Duane Vincent, who garnered 17 and Christiansen who sagged the hoop for eleven. Arney was off from his usual form but, along with Holkestad and Flaten made a valuable 27—nine apiece.

Rupert Tonight?
Tonight's prediction is a win for Prince Rupert but, if they do as predicted, it will be the hard way as the Elks will take some beating. Rupert team has played a game together now and Coach MacPhee knows his best combinations of players after last night's rather hectic workout. One thing is sure, the fans who saw last night's thrilling finish will all be back for more and the many who were unwilling to brave the cold are going to be sitting in the warm Civic Centre gym to witness tonight's thriller from the reserved seat sections.

Line-ups:—
KETCHIKAN—Brewer, Christiansen 11, Harry Johansen 20, Vincent 17, Bob Christopher 4, Jack Johansen 4, J. Christopher. Total—56.
PRINCE RUPERT—Arney 9, Spring 14, Holkestad 9, Davis, Beynon 1, Flaten 9, D. Scherk 8, S. Scherk, Sunberg 2, Morgan 2 Total—54.

League Fixture
North Star won a surprise victory over the more experienced Merchants' team in the Intermediate League game played as a preliminary to the main event last night. They did it the hard way, trailing by 25-7 at the half. In the third period North Star hit their stride, scoring 20 points to take over the lead 27-25, and held it grimly throughout the last period to win by one point 37-36. The game was fast and furious throughout and was featured by clean play, only 14 penalties being called on each team. Dick Wesch for North Star and Ron Christoff for Merchants shared top scoring honours, each getting 12 points.

Lineups:—
MERCANTS—Currie 4, Dumas 7, Anderson 2, Christoff 12, Marshall 3, Davidson 2, Walsh, Boulter 6, Total—36
NORTH STAR—Wesch 12, Young 1, Smith 8, Simonsen 6, Parnell 7, Sedgewick, Hamilton, Ketcheson, Hartwig 3 Total—37.

MER (E)MAID, TO BE SURE—Doing what comes naturally, Kathy Tongay of Miami, Fla., has added a backward dive to her repertoire of swim stunts—at the age of 18 months. The child, daughter of a former water safety instructor at St. Louis, has been swimming since she could toddle. With her brother, Russell, 3½, she swam for five miles in the Mississippi river last summer.

PINCH and PUNCH by HAP

Three years it took them . . . So you would rather have spent them in a fox hole?

"Oh dear—our baby sitter is here!"

WORKS HARD AT HER JOB—A product of cross breeding, this hybrid hen, held by Gloria Debono in Pueblo, Colo., has been under going scientific experimentation for three years at the Colorado State hospital Poultry Farm. Developed by former U.S. Vice President Henry A. Wallace the chicken with 6,000 others of the same type, has produced an average 230 eggs a year against 201 by White Leghorns, is hardier and more resistant.

Terrace Claims Biggest Family
