HOUSE VETERAN—The age of Thomas Langton (Tommy) Church,, member of parliament for Toronto Broadview since 1921. is a mystery—he doesn't list it in the Parliamentary Guide. But Mr. Church's love of things British is an open book; it's still the British Empire (not Commonwealth) as far as he's concerned. He's often remarked he's the only "real Conservative" left in Canada. Mr. Church was mayor of Toronto from 1915 to 1921.
