Pretty English Cynthia Norton Captures Rupert in Short Order

A few months ago pretty Cynthia Norton was quietly following her work as a hairdresser in her native city of Swindon, Wiltshire, England. Today, as candidate for the title of "Miss P.N.E." at the Pacific National Exposition in Vancouver, she is Prince Rupert's nominee for beauty queen honors of British Columbia. And this may be considered quite an accomplishment.

Cynthia, who came out with her mother from England to visit with her sister, Mrs. Dick Dubeau at Terrace, was the winner of the local Capito Theatre eliminations this week. She goes to Vancouver next week to participate in the finals. Her progress so far might be considered a "came and conquered" story.

Cynthia and her equally charming mother were interviewed by the Daily News yesterday and it was thus that Cynthia's life story, that has culminated so spectacularly, was revealed.

Cynthia's home town of Swindon, a railway centre of some importance in Wiltshire, with population of about 70,000, was one of the Nazi objectives during the blitz days of the war but the Norton home was never hit although many houses in the immediate vicinity were and the town sustained considerable damage. So Cynthia and her folks had their war experiences but Cynthia continued school without interruption after which she went through her hairdressing course and started work. Fond of athletics and outdoor activities, Cynthia was captain of the girls' netball team of her school.

The older sister, now Mrs. Dubeau, a war bride, having moved out to Canada, the mother and daughter decided to come to Canada for a visit. Cynthia decided to stay in Canada. Now she is employed in the telephone office at Terrace.

PROUD MOTHER

Also sold on Canada is the proud mother who confided in an interview that she liked it so well that she hoped to induce Mr. Norton, who is in the civil service at Swindon, to come to this country and settle. Meanwhile, Mrs. Norton is returning to England next month being booked to sail from Montreal September 28.

Grandmother at forty-five, Gloucestershire-born Mrs. Norton is even more youthful appearing than the age which she admitted. She has only two daughters—Cynthia and Mrs. Dubeau. There are two grandchildren—Gail Dubeau, one year and nine months, and an infant grandson, born only on Sunday last to Mr. and Mrs. Dubeau at the Red Cross Hospital in Terrace.

Mrs. Norton spontaneously accounted for her youthful appearance to "having a good husband. That's the reason."

Cynthia has two surviving grandparents—her paternal grandmother, Mrs. Florence Clarke, and her maternal grandfather, George Watkins of Swindon.

Mr. Adams took Cynthia and her mother back to Terrace today. Cynthia will be back here next Wednesday to prepare to leave next Friday on the Catala for Vancouver and the Pacific National Exhibition with Mrs. Don Norton as chaperon.

BUMPER CROPS—Grain crops promising bumper yields are the exception rather than the rule in the prairies this year. In the area around where irrigation has been used to supplement natural moisture, indications are the yield will be high. Here W. R. Hughes and John Hocken are seen examining a heavy stand of wheat on the former's farm, nine miles north of Lethbridge. This field has grown to a height of four feet and promises to yield 50 bushels an acre. (C. P. Photo)
