The halibut is none other than the medieval English halibut, the holy flounder, which our ancestors made a practice of eating on occasions of religious observance.

Tension In Balkans Up

Charges and Counter-Charges Between Kremlin and Tito

LONDON — Charges of plotting a Balkan war were hurled at Premier Marshal Tito of Yugoslavia as the Russian-led campaign against him took a new turn and Balkan tension mounted.

While diplomatic sources sought to fathom the implication of Russia's threat to "take effective measures" against the Tito regime, Russian communist leader Gheorghiu-Dej said: "Tito is plotting to set ablaze the Balkan powder keg."

In Prague the Czech communist newspaper Rude Pravo branded the Tito government as Fascist, and warned that it was Russian policy to "exterminate fascism wherever it may appear — now and during the war."
