Cash Stolen From Down Town Shop

Some \$10 was taken from the till in Mrs. H. F. Pullen's Peter Pan shop Monday night when a thief or thieves made entry as she was absent for about an hour in the early evening. Entry was made through an open rear window. As far as could be learned, the money was all that was taken. It was in bills. Change was left. Police are investigating.

Is Hit By Car, Not Badly Hurt

Little 2½-year-old Brian Eby, son of Mr. and Mrs. Robert Eby, was fortunate to escape with little more than shock and scare last evening about 7 o'clock when struck near his home on Fourth Avenue East by a car driven by Donna McArthur. The child, turning suddenly, was grazed by the car and pinned to the ground by his clothes. Quick control of the vehicle by the driver, travelling moderately in a westerly direction, saved the child from being run over. Removed to the hospital, it was ascertained that there were no bones broken and there were no serious injuries.

It's the little things that keep a household happy . . . and hot water, at the turn of a tap, is one of those things. For dad's morning shaves, mother's household tasks, the youngsters' evening baths — all day long, an automatic electric heater provides a ready supply of hot water for the comfort and convenience of the whole family.
