**Plumbers Winners**

Defeated Firemen as Both Teams Make Softball Debut  
Prince Rupert Plumbing won a clear-cut victory last night over the Firemen in the first appearance of these two teams in the City Softball League this season. A good crowd took advantage of the fine night and thoroughly enjoyed the game which was won by a 21 to 13 score. The Plumbers had two big innings getting seven runs in the second and eight in the fifth. The Fire laddies had a big inning in the fourth when they scored eight runs and made a strong comeback in the ninth to score four. It was obvious that it was the first game of the season for both teams. There were errors and miss-plays aplenty, but the league is conducted for the enjoyment of players and fans alike and last night everyone went home well satisfied. The next game in this division will be on Saturday, when the

North Stars (former CNRA) play Parks 2 1 0  
Rupert Radio. This is expected to be the best game of the season so far, as both are strong teams with plenty of experience. Here is last night's box score:
