**NEWLY-INSTALLED  
CHURCH BELL**

TERRACE—The newly-installed bell of Knox United Church here was rung for the first time on Sunday to herald special Easter services morning and evening. There were two special services during the day with the full choir rendering anthems in the evening. Rev. P. H. Mallett conducted the services. A cleaning bee by the ladies, under Mrs. Frank Gavan, had been held in the church one night last week.

Dedication of the newly reconstructed church will take place with special service on April 23 and on the preceding night there will be a congregational banquet in Oddfellows' Hall. Harry Seaman is in charge of arrangements for the banquet and J. H. Smith will be master of ceremonies.

This Thursday night the young people of the church will stage a minstrel show in Tillicum Theatre.

Last Friday night the Ladies' Guild, under the chairmanship of Mrs. Gavan, met in the church parlor with 22 members present and Mrs. Bush sr., and Mrs. L. Llewellyn as hostesses. Plans were made to renovate the kitchen and bathroom of the Manse and to roof the front porch.

SEATTLE (AP)—Boeing airplane company announced yesterday it had produced the world's first jet turbine engine for trucks.

Weighing only 1/14 as much as a diesel motor producing the same power, the mighty midget, which tips the beam at 200 pounds, generates 175 horsepower. It has been road-tested in a ten-ton freight truck for several months on mountainous roads in this vicinity. The company is now turning its attention to a jet engine for power boats.

Remember?

When you ask for a loan at the B of M...  
*you do not ask a FAVOUR\**

WHEN the housewife calls at the grocery store and orders a supply of provisions, she is not asking a favour... she is buying goods for which she will pay on delivery... purely a matter of business.

So with your bank. It is a business proposition just as much as the grocery store.

The grocer deals in groceries... the banker deals in credit. And as the making of loans is one of the principal ways by which his bank derives its revenue, he is as anxious to sell his credit as the grocer is to sell his groceries. And like the grocer, the banker naturally wants to know that he is going to be paid for his goods... that his loans will be met when they fall due. That, too, is only good business.

When you have occasion to ask for a loan, look at it this way. Come to the Bank, not feeling that you have to ask a favour, but to offer the manager a sound business proposition which will be of profit both to you and to his institution.

\* We published this message first in 1945. It was a fair statement then... it is a fair statement now... and we believe it bears repeating. Hundreds of thousands of Canadians in all walks of life have since proved for themselves, by the experience of borrowing at the Bank of Montreal, the full meaning of this message... that if your proposition is sound, there's money for you at the B of M. Yes, when you ask for a loan at the B of M, you do not ask a favour.

**Terrace Easter  
Tea-Sale Success**

TERRACE—The Easter tea and sale, a yearly event of the Parent-Teacher Association was a very successful this year. Held in the Credit Union Hall on Saturday afternoon, the affair drew a large crowd and, at times, there were not enough tables for the newcomers who crowded in.

Easter motifs decorated the hall, homecooking and candy stalls. Basket trays of various sizes, made by the Grades 7 and 8 students, held sandwiches and cake.

One feature was missing this year from the tea and sale, and that was the usual display of school work, but it was felt that the Fall Fair would take care of any yearly school display.

There was a large array of homecooking and candy for sale and this was all sold out in a short time. Mrs. A. Gillanders, as general convenor, though new to the work, did a fine piece of organizing, and everything went off smoothly and well. There was a great amount of food donated to the kitchen so that everyone had a bounteous tea.

While several gave their time and effort with the arranging of the affair, those helping in the hall were:

Kitchen—Mrs. J. Haaland, Mrs. F. Clifford, Mrs. P. McIlroy, Mrs. S. W. Craig, Miss B. Forbes, Mrs. K. Wold, Mrs. P. Van Stolk, Mrs. R. Sparkes

Serviteurs were girls from the High School and were, Flora Melyin, Norma Perry, Colleen Sites, Joan Atwood, Lorna Melvin, Clara Warner, Valerie Craig Gloria Irving, Margaret Kennedy.

On the Homecooking stall were Mrs. W. Martin and Mrs. C. Michiel and candy stall, Mrs. Van Stolk and Mrs. S. Campbell. Cashier was Miss Valerie Booth.
